

The Pets of Lithia & Driveway: Snap and Share!

Lithia & Driveway
Pet Photo Contest

Send Photo

It's the dog days of summer and the purr-fect time to celebrate the four-legged friends that bring us joy!

We're teaming up with our pet wellness partner Wagmo to host a company-wide Pet Photo Contest. Whether your pet is striking a pose or snoozing in the sun, we want to see them.

One lucky winner will be selected at random to receive a gift card of their choice, and their photo will be shared across Lithia & Driveway in September!

How to Enter

- 1 Snap a photo of your favorite cat or dog — wagging tails, cat naps, and silly smiles welcome!
- 2 Email your photo to benefits@lithia.com by August 31.

Send Photo

About Wagmo

WAGMO

Wagmo Wellness isn't your typical pet insurance. It's designed to help pet parents stay proactive with coverage for routine and preventive care like vaccines, grooming, dental care, regular check-ups, and more. Every plan includes 24/7 pet telehealth through VETalk, plus perks from Rover & PetMeds.

You can enroll in Wagmo during Open Enrollment this fall, or sign up anytime if you welcome a new pet into your family this year.
