

All items on our menu are sourced locally and responsibly most of our products come directly from the farms around us, including our own. The seafood is fished locally or from our neighbors in Baja California Norte. Our animal dishes are sourced from native fauna of Mexico. Certain products may not be available according to seasonality.

Todos los ingredientes de nuestro menú se obtienen de forma local y responsable. La mayoría de nuestros productos provienen directamente de las granjas que nos rodean, incluida la nuestra. Los mariscos se pescan localmente o de nuestros vecinos en Baja California Norte. Nuestros platillos de origen animal provienen de fauna nativa de México. Puede haber momentos en los que ciertos ingredientes no estén disponibles debido a la disponibilidad del mercado.
