

# BEYOND

MORE THAN WE CAN IMAGINE

NOW TO HIM WHO IS ABLE TO DO BEYOND MORE THAN  
ALL WE ASK OR IMAGINE, ACCORDING TO HIS POWER  
THAT IS AT WORK WITHIN US.

EPHESIANS 3:20

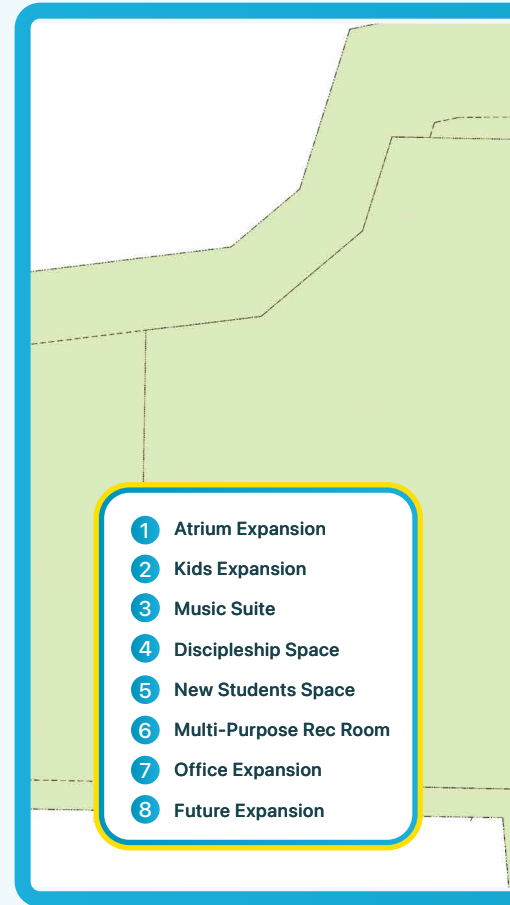

## GRACE FINDS ITSELF AT YET ANOTHER MILESTONE...

Our move from our former campus, and our tabernacle season clarified our mission to shine the love of Jesus to the Lehigh Valley. Our prayers and sacrificial generosity built our new campus and continued to build our shining community of believers. Our remarkable growth has been both surprising and challenging. We have seen God do more than we could have asked or imagined.

## WE BELIEVE THIS IS JUST THE BEGINNING...

And the best is still yet to come. We don't believe it's time to coast. Or just marvel at what God has done. God is writing a new chapter in us that is part of a long story of commitment to Bethlehem and the Lehigh Valley. He is inviting us to invest in a vision to invite people for generations to come to find and follow Jesus.

## → OUR BEYOND GOD

God has moved powerfully doing more than we could have asked or imagined. His invitation to risk and trust Him has shaped our lives and our church.

## → OUR BEYOND STORY

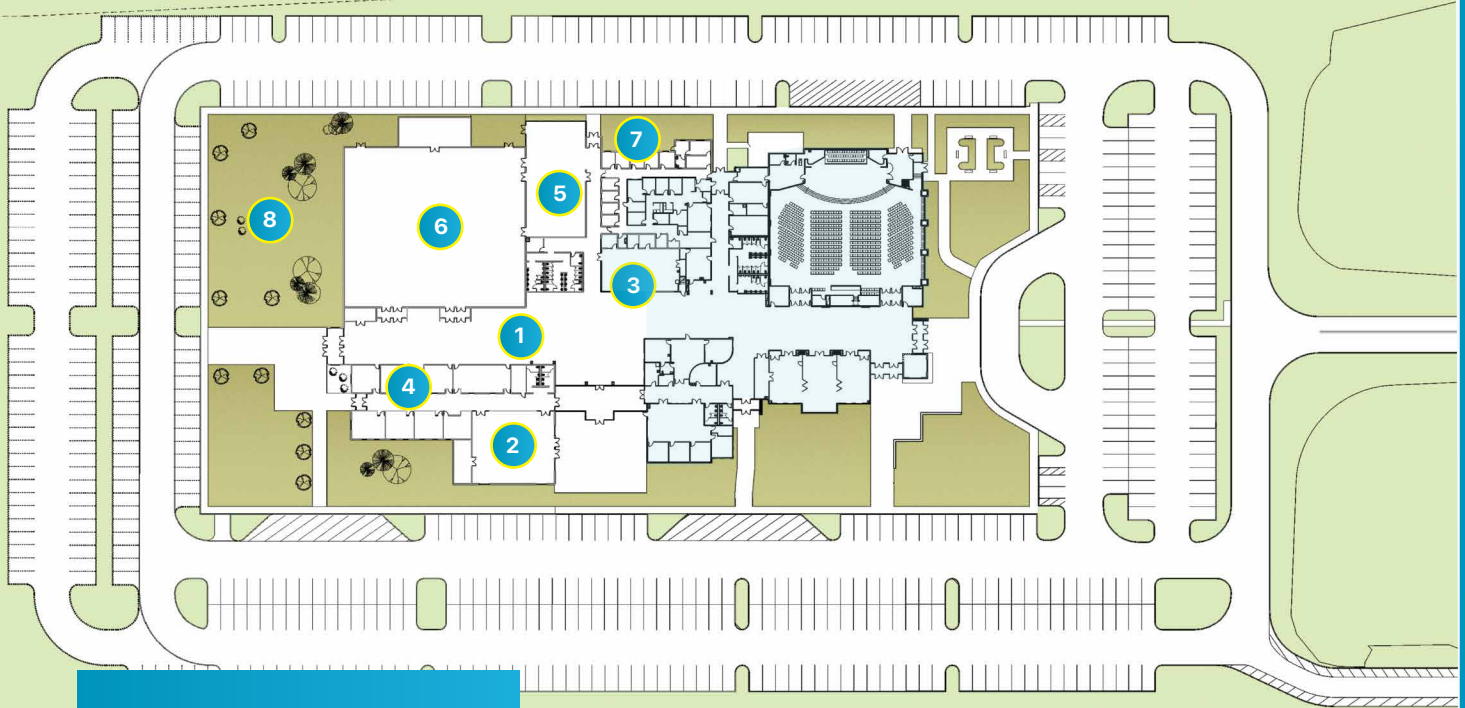

People are finding Jesus and lives are being changed. Our spaces are being stretched even more than we expected. The next chapter is being written for GRACE.

## → OUR BEYOND VISION

We believe God is calling us to move BEYOND where we are today to be a part of building a place that will invite many more for generations to find and follow Jesus.

## We have spent the last year...

Dreaming and praying with our congregation, ministry leaders, and professional partners to develop a plan for our campus that will lead us to this vision.

→ God is calling us **BEYOND**

We are asking everyone at GRACE to pray, engage, and give in new ways. As you prayerfully consider your part in this vision, ask yourself:

- What is my God-sized vision for GRACE?
- How am I living the BEYOND story in the places where I live, work, and play?
- How will my financial investment in BEYOND impact my life, my church, and the Lehigh Valley Community?
