

All Saints Catholic High School

HEADTEACHER: Mr A McGuinness

19th November 2025

All Saints is a unique and special place - a welcoming, loving family where every member of our community feels valued, supported, and inspired to succeed. We are a school built on high aspirations, and we believe deeply in the potential of every young person who walks through our doors. From Year 7 through to Sixth Form, our students are guided, challenged, and encouraged to realise their dreams and fulfil their potential, wherever those ambitions may lead.

Our commitment to preparing students for their next steps is at the heart of our work. We ensure that all young people leave All Saints fully equipped for further and higher education, apprenticeships, and employment. A strong careers focus runs through every year group, strengthened by an extensive network of business and community partners. These relationships open doors to exceptional experiences, enrichment activities, and genuine employment opportunities, while also enhancing the curriculum and providing meaningful support to our families and the wider Kirkby community.

At All Saints, the holistic development of every student matters. We offer a wealth of opportunities that broaden horizons, including travel experiences that increase social mobility and develop confidence, independence, and cultural awareness. Our niche Sixth Form brings a distinctive offer to the area, serving students with clear vocational pathways and supporting them as they take their first steps towards becoming the professionals of the future.

The strength of our school lies in our staff. We are a dedicated, skilled, and collaborative team, united by our commitment to meeting the needs of every pupil. Our values of Love and Justice - shape everything we do and underpin our culture of going above and beyond. This sense of belonging - of being part of something bigger - is one of the many reasons our school feels like a family. I am proud to be part of this school and the difference it makes.

Michelle Riley - Head of Sixth Form
