School starts for all pupils at 8:48am, when all pupils are to be on site.

I have previously shared information about the school bus route and times with parents, and politely request that parents and carers read this carefully; most notably, priority has been given to Year 7 and 8 pupils.

It is vitally important that we have clear communication channels with parents and, to support this, please find on a separate page, contact details for each year group.

It is important that we continue to maintain the highest of standards when we return, and with this in mind I have attached information regarding school uniform, including appropriate footwear. I also want to reinforce that mobile telephones are not allowed on site or visible until the end of the school day.
