

AAC Core Word Experiment

Disappearing Peeps!

What do we need?

4 Peep candies

4 clear cups

vinegar

Sprite

hot water (careful!!)

orange juice

Get 4 cups.

Put one peep in each cup.

Pour hot water in the first cup.

Pour vinegar in
the next cup.

Pour orange juice in the next cup.

Pour Sprite in the last cup.

What do you think will happen to the peeps?

floats

melts

changes color

What happens to the
peep in hot water?

floats

melts

changes color

What happens to the peep in vinegar?

floats

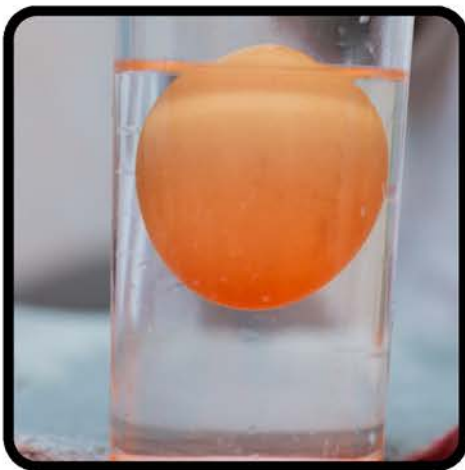

melts

changes color

What happens to the
peep in Sprite?
