

WEAVER CREEK RANCH LLC

LIMITED LIABILITY COMPANY AGREEMENT

This Limited Liability Company Agreement (this “Agreement”) is entered into and effective on July 31, 2025, by and among Weaver Creek Ranch LLC, a Delaware limited liability company (the “Company”), Agisle LLC, a Delaware limited liability company (“Agisle”), and the persons who purchase Class A Shares following the date of this Agreement (the “Class A Members”), which may include Agisle and its affiliates. The Class A Members and Agisle are sometimes referred to as “Members” in this Agreement.

Background

The Members own all of the limited liability company interests of the Company and wish to set forth their understandings concerning the ownership and operation of the Company in this Agreement, which they intend to be the “limited liability company agreement” of the Company within the meaning of 6 Del. C. §18-101(9).

NOW, THEREFORE, acknowledging the receipt of adequate consideration and intending to be legally bound, the parties agree as follows:

1. ARTICLE ONE: CONTINUATION OF LIMITED LIABILITY COMPANY

1.1. **Continuation of Limited Liability Company.** The Company has been formed in accordance with and pursuant to the Delaware Limited Liability Company Act (the “Act”) for the purpose set forth below. The rights and obligations of the Members to one another and to third parties shall be governed by the Act except that, in accordance with 6 Del. C. 18-1101(b), conflicts between provisions of the Act and provisions in this Agreement shall be resolved in favor of the provisions in this Agreement except where the provisions of the Act may not be varied by contract as a matter of law.

1.2. **Name.** The name of the Company shall be “Weaver Creek Ranch LLC” and all its business shall be conducted under that name or such other name(s) as may be designated by the Manager.

1.3. **Purpose.** The purpose of the Company shall be to acquire, operate, and ultimately sell the ranch consisting of approximately four hundred (400) acres in Bowie County in Northeast Texas, near Simms, Texas, known as the Weaver Creek Ranch (the “Property”), as described more fully in the Confidential Private Placement Memorandum of the Company dated July 31, 2025 (the “Disclosure Document”), and engage in any other business in which limited liability companies may legally engage under the Act. In carrying on its business, the Company may enter into contracts, incur indebtedness, sell, lease, or encumber any or all of its property, engage the services of others, enter into joint ventures, and take any other actions the Manager deems advisable.

1.4. **Fiscal Year.** The fiscal and taxable year of the Company shall be the calendar year, or such other period as the Manager determines.

2. **ARTICLE TWO: CONTRIBUTIONS AND LOANS**

2.1. **Contributions of Members.** Each Class A Member shall contribute to the capital of the Company the amount set forth in his, her, or its Subscription Agreement. Agisle shall not be required to contribute to the Company unless, and to the extent that, it chooses to become a Class A Member and makes a contribution as such. The capital contributions of Members are referred to in this Agreement as “Capital Contributions.”

2.2. **Other Required Contributions.** Except as provided in section 2.1, no Member shall be obligated to contribute any capital to the Company. Without limitation, no such Member shall, upon dissolution of the Company or otherwise, be required to restore any deficit in such Member’s capital account.

2.3. **Loans.**

2.3.1. **In General.** Agisle or its affiliates may, but shall not be required to, lend money to the Company in the Manager’s sole discretion. No other Member may lend money to the Company without the prior written consent of the Manager. Subject to applicable state laws regarding maximum allowable rates of interest, loans made by any Member to the Company (“Member Loans”) shall bear interest at the higher of (i) the prime rate of interest designated in the Wall Street Journal on any date within ten (10) days of the date of the loan, plus four (4) percentage points; or (ii) the minimum rate necessary to avoid “imputed interest” under section 7872 or other applicable provisions of the Internal Revenue Code of 1986, as amended (the “Code”). Such loans shall be payable on demand and shall be evidenced by one or more promissory notes.

2.3.2. **Repayment of Loans.** After payment of (i) current and past-due debt service on liabilities of the Company other than Member Loans, and (ii) all operating expenses of the Company, the Company shall pay the current and past-due debt service on any outstanding Member Loans before distributing any amount to any Member pursuant to Article Four. Such loans shall be repaid *pro rata*, paying all past-due interest first, then all past-due principal, then all current interest, and then all current principal.

2.4. **Other Provisions on Capital Contributions.** Except as otherwise provided in this Agreement or by law:

2.4.1. No Member shall be required to contribute any additional capital to the Company;

2.4.2. No Member may withdraw any part of his, her, or its capital from the Company;

2.4.3. No Member shall be required to make any loans to the Company;

2.4.4. Loans by a Member to the Company shall not be considered a contribution of capital, shall not increase the capital account of the lending Member, and shall not result in the adjustment of the number of Shares owned by a Member, and the repayment of such loans by the Company shall not decrease the capital accounts of the Members making the loans;

2.4.5. No interest shall be paid on any initial or additional capital contributed to the Company by any Member;

2.4.6. Under any circumstance requiring a return of all or any portion of a capital contribution, no Member shall have the right to receive property other than cash; and

2.4.7. No Member shall be liable to any other Member for the return of his, her, or its capital.

2.5. **No Third-Party Beneficiaries.** Any obligation or right of the Members to contribute capital under the terms of this Agreement does not confer any rights or benefits to or upon any person who is not a party to this Agreement.

3. **ARTICLE THREE: SHARES AND CAPITAL ACCOUNTS**

3.1. **Shares.** As of the date of this Agreement, the ownership interests of the Company shall be denominated by One Million Ten Thousand (1,010,000) “Shares,” of which One Million (1,000,000) shall be denominated as “Class A Shares” and Ten Thousand (10,000) as “Class B Shares.” All of the Class A Shares shall be owned by the Class A Members and all of the Class B Shares shall be, and are, owned by Agisle. The Manager may create additional classes of ownership interests in the future, with such rights and preferences as the Manager may determine in its sole discretion (“New Shares”).

3.2. **Preemptive Rights for Class A Shares.** In the event the Manager seeks to raise more capital through the sale of additional Class A Shares, the Manager may, but shall not be required to, offer to sell such additional Class A Shares to existing Members. However, no holder of any ownership interests shall have the right to acquire such membership interests, *i.e.*, no such holder shall have preemptive rights.

3.3. **Preemptive Rights for New Shares.**

3.3.1. **In General.** Before issuing New Shares, the Manager shall notify each Class A Member, including in such notice the rights and preferences of the New Shares, the price of each New Share, the aggregate number of New Shares the Manager is seeking to sell, each Class A Member’s *pro rata* number of New Shares (based on the number of Class A Shares owned by each Class A Member), and how the proceeds from the sale of New Shares will be used. Each Class A Member shall, within fifteen (15) business days of such notice, notify the Manager of the aggregate number of New Shares such Class A Member wishes to purchase, if any. If a Class A Member fails to respond to the Manager’s notice by the close of business on the fifteenth (15th) business day following the date of the Manager’s notice, such Class A Member shall be deemed to have declined to purchase any New Shares.

3.3.2. Allotment.

(a) **Class A Members Choose to Purchase Fewer Than All New Shares.** If the Class A Members wish to purchase fewer than all of the New Shares the Manager offered, then (i) each Class A Member shall purchase the number of New Shares such Class A Member specified in his, her, or its response; and (ii) the remaining New Shares may be sold to third parties.

(b) **Class A Members Choose to Purchase More Than All New Shares.** If the Class A Members wish to purchase more than all of the New Shares the Manager offered then (i) each Regular Purchaser shall purchase the number of New Shares he, she, or it specified; and (ii) each Excess Purchaser shall purchase the Excess Allocation Amount.

(c) **Definitions.** The following definitions shall apply for purposes of section 3.2.2(a):

(1) “Allotted Number” means, for each Class A Member, the total number of New Shares offered multiplied by a fraction, the numerator of which is the number of Class A Shares owned by such Class A Member and the denominator of which is the total number of Class A Shares issued and outstanding.

(2) “Excess Allocation Amount” means, for each Excess Purchaser (i) the number of New Shares specified in such Excess Purchaser’s notice, minus (ii) the Excess Shares multiplied by a fraction, the numerator of which is the aggregate number of New Shares requested by all Excess Purchasers other than such Excess Purchaser and the denominator of which is the aggregate number of New Shares requested by all Excess Purchasers.

(3) “Excess Purchaser” means a Class A Member who requests to purchase a number of New Shares greater than his, her, or its Allotted Number.

(4) “Excess Shares” means the excess of the aggregate number of Shares specified in notices from Class A Members over the number of New Shares offered by the Manager.

(5) “Regular Purchaser” means a Class A Member who requests to purchase a number of New Shares no greater than his, her, or its Allotted Number.

3.3.3. **Restrictions Based on Offering Requirements.** The Manager may limit the rights described in in this section 3.3 to Class A Members who satisfy the requirements of an exemption used to offer and sell the New Shares without registration under section 5 of the Securities Act of 1933. For example, if the New Shares are being offered under 17 CFR §230.506(c), the Manager may limit the rights described in this section 3.3 to Class A Members who are then “accredited investors” under 17 CFR §230.501(a).

3.3.4. **Purchase of New Shares by Manager and Affiliates.** Neither the Manager nor its affiliates may purchase New Shares before using good faith efforts to sell such New Shares to unrelated third parties.

3.4. **Certificates.** The Shares of the Company shall not be evidenced by written certificates unless the Manager determines otherwise. If the Manager determines to issue certificates representing Interests, the certificates shall be subject to such rules and restrictions as the Manager may determine.

3.5. **Registry of Shares.** The Company shall keep or cause to be kept on behalf of the Company a register of the Members of the Company. The Company may, but shall not be required to, appoint a transfer agent registered with the Securities and Exchange Commission as such.

3.6. **Tokenization of Shares.** The Manager may, but shall not be required to, cause some or all the Shares to be represented as “tokens” using blockchain technology, with such features and attributes as the Manager may determine from time to time in its sole discretion. Each Member shall execute such documents and instruments as the Manager may reasonably request in connection with the “tokenization” of the Shares.

3.7. **Capital Accounts.** A capital account shall be established and maintained for each Member. Each Member’s capital account shall initially be credited with the amount of his, her, or its Capital Contribution. Thereafter, the capital account of a Member shall be increased by the amount of any additional contributions of the Member and the amount of income or gain allocated to the Member and decreased by the amount of any distributions to the Member and the amount of loss or deduction allocated to the Member, including expenditures of the Company described in section 705(a)(2)(B) of the Code. Unless otherwise specifically provided herein, the capital accounts of the Members shall be adjusted and maintained in accordance with Code section 704 and the regulations thereunder.

4. **ARTICLE FOUR: DISTRIBUTIONS AND ALLOCATIONS**

4.1. **Definitions.**

4.1.1. “Capital Transaction” means any sale, refinancing, or other transaction customarily considered as capital in nature with respect to the Property.

4.1.2. “Investor IRR” means, for each Class A Member, the IRR of such Class A Member, taking into account his, her, or its Capital Contributions (as of the date the Company purchases the Property) and all distributions he, she, or it receives (as of the date of such distribution) and assuming that the value of his, her, or its Class A Shares is zero (\$0.00).

4.1.3. “IRR” means internal rate of return, calculated using the XIRR function in Microsoft Excel.

4.1.4. “Net Capital Proceeds” means the proceeds from a Capital Transaction (including proceeds from condemnation or insurance from damage or destruction to the extent not reinvested, other than business interruption or rental loss insurance proceeds) minus (i) the expenses the Company incurs with respect to the Capital Transaction, (ii) any repayments of debt made in connection with the Capital Transaction, (iii) brokerage commissions, (iv) other costs customarily taken into account in calculating net proceeds, and (v) amounts added to Reserve Accounts.

4.1.5. “Operating Cash Flow” means cash flow from the ordinary rental operations of the Property (not from Capital Transactions), as determined in the sole discretion of the Manager, taking into account all revenue and all expenses of the Company and any additions to or withdrawals from Reserve Accounts.

4.1.6. “Preferred Return” means, with respect to each Class A Member, a cumulative, non-compounded return of eight percent (8%) per year on such Class A Member’s Unreturned Investment, measured from the date the Class A Member’s Capital Contribution was released from escrow and transferred to the Company’s account.

4.1.7. “Reserve Accounts” means accounts established and maintained by the Company to fund anticipated cash needs.

4.1.8. “Unreturned Investment” means, with respect to any Class A Member, the amount of such Class A Member’s Capital Contribution reduced by the aggregate amount of any distributions such Class A Member has received pursuant to section 4.2.2(b).

4.2. **Distributions.**

4.2.1. **Distributions of Operating Cash Flow.** Within thirty (30) days after the end of each calendar quarter or at such other times as the Manager shall determine, the Company shall distribute its Operating Cash Flow:

(a) First, to all Class A Members in proportion to the unpaid Preferred Return of each until each Class A Member has received his, her, or its Preferred Return accrued through the date of distribution.

(b) Second, eighty percent (80%) to the Class A Members and twenty percent (20%) to the holders of the Class B Shares.

4.2.2. **Distributions of Net Capital Proceeds.** Within thirty (30) days after a Capital Transaction or at such other times as the Manager shall determine, the Company shall distribute its Net Capital Proceeds:

(a) First, to all Class A Members in proportion to the unpaid Preferred Return of each until each Class A Member has received his, her, or its Preferred Return accrued through the date of distribution.

(b) Second, to all Class A Members in proportion to each Class A Member’s Unreturned Investment, until the Unreturned Investment of all Class A Members has been reduced to zero.

(c) Third, to all Class A Members until each Class A Member has achieved an Investor IRR of eight percent (8%).

(d) Fourth, eighty percent (80%) to the Class A Members and twenty percent (20%) to the holders of the Class B Shares.

4.2.3. **Distributions to Early Investors.** The Company may enter into agreements with Class A Members providing that a portion of the Capital Contributions of such Class A Members will be returned when and if the Company receives Capital Contributions from subsequent Class A Members. In that event, the Capital Contribution of each such Class A Member for purposes of section 4.1.8 shall be the net amount, *i.e.*, the original Capital Contribution less the amount returned pursuant to this section.

4.2.4. **Distributions to Fund Tax Liability.** In the event that the Company recognizes net gain or income for any taxable year, the Company shall, taking into account its financial condition and other commitments, make a good faith effort to distribute to each Member, no later than April 15th of the following year, an amount equal to the net gain or income allocated to such Member, multiplied by the highest marginal tax rate for individuals then in effect under section 1 of the Code plus the highest rate then in effect under applicable state law, if such amount has not already been distributed to such Member pursuant to this section 4.2. If any Member receives a smaller or larger distribution pursuant to this section than he would have received had the same aggregate amount been distributed pursuant to section 4.2, then subsequent distributions shall be adjusted accordingly.

4.2.5. **Tax Withholding.** To the extent the Company is required to pay over any amount to any federal, state, local or foreign governmental authority with respect to distributions or allocations to any Member, the amount withheld shall be deemed to be a distribution in the amount of the withholding to that Member. If the amount paid over was not withheld from an actual distribution (i) the Company shall be entitled to withhold such amounts from subsequent distributions, and (ii) if no such subsequent distributions are anticipated for six (6) months, the Member shall, at the request of the Company, promptly reimburse the Company for the amount paid over.

4.2.6. **Reinvestments.** Notwithstanding section 4.1.2 and section 4.1.4, the terms “Net Capital Proceeds” and “Operating Cash Flow” does not include any amounts the Manager elects to reinvest in the Property.

4.2.7. **Other Classes of Interest.** If, pursuant to section 3.1, the Manager creates additional classes of limited liability company interest in the future, the holders of such additional classes shall have such rights to distributions as are set forth when such additional classes are created, notwithstanding sections 4.2.1 and 4.2.2.

4.2.8. **Character of Amounts Released from Reserve Accounts.** Amounts released from Reserve Accounts shall be treated as either proceeds from capital transactions or as income from rental operations, depending on the manner in which the Reserve Account was funded. Thus, amounts released from a Reserve Account that was funded with the Capital Contributions of Members or from a sale or refinancing transaction shall be treated as the proceeds of a capital transaction, while amounts released from a Reserve Account that was funded with rental income shall be treated as income from rental operations.

4.2.9. **Manner of Distribution.** All distributions to the Members will be made as Automated Clearing House (ACH) deposits or wire transfers into an account designated by each Member. If a Member does not authorize the Company to make such ACH distributions or wire transfers into a designated Member account, distributions to such Member will be made by check and mailed to such Member after deduction by the Company from each check of a Fifty Dollar (\$50) processing fee.

4.2.10. **Other Rules Governing Distributions.** No distribution prohibited by 6 Del. C. §18-607 or not specifically authorized under this Agreement shall be made by the Company to any Member in his or its capacity as a Member. A Member who receives a distribution prohibited by 6 Del. C. §18-607 shall be liable as provided therein.

4.3. **Allocations of Profits and Losses.**

4.3.1. **General Rule: Allocations Follow Cash.** The Company shall seek to allocate its income, gains, losses, deductions, and expenses (“Tax Items”) in a manner so that (i) such allocations have “substantial economic effect” as defined in section 704(b) of the Code and the regulations issued thereunder (the “Regulations”) and otherwise comply with applicable tax laws; (ii) each Member is allocated income equal to the sum of (A) the losses he or it is allocated, and (B) the cash profits he or it receives; and (iii) after taking into account the allocations for each year as well as such factors as the value of the Company’s assets, the allocations likely to be made to each Member in the future, and the distributions each Member is likely to receive, the balance of each Member’s capital account at the time of the liquidation of the Company will be equal to the amount such Member is entitled to receive pursuant to this Agreement. That is, the allocation of the Company’s Tax Items, should, to the extent reasonably possible, follow the actual and anticipated distributions of cash, in the discretion of the Manager. In making allocations the Manager shall use reasonable efforts to comply with applicable tax laws, including without limitation through incorporation of a “qualified income offset,” a “gross income allocation,” and a “minimum gain chargeback,” as such terms or concepts are specified in the Regulations. The Manager shall be conclusively deemed to have used reasonable effort if it has sought and obtained advice from counsel.

4.3.2. **Losses and Income Attributable to Member Loans.** In the event the Company recognizes a loss attributable to loans from Members, then such loss, as well as any income recognized by the Company as a result of the repayment of such loan (including debt forgiveness income), shall be allocated to the Member(s) making such loan.

4.3.3. **Allocations Relating to Taxable Issuance of Interest.** Any income, gain, loss, or deduction realized as a direct or indirect result of the issuance of an interest in the Company by the Company to a Member (the “Issuance Items”) shall be allocated among the Members so that, to the extent possible, the net amount of such Issuance Items, together with all other allocations under this Agreement to each Member, shall be equal to the net amount that would have been allocated to each such Member if the Issuance Items had not been realized.

4.3.4. **Section 754 Election.** The Company may, but shall not be required to, make an election under section 754 of the Code at the request of any Member. The Company may condition its consent to make such an election on the agreement of the requesting Member to pay directly or reimburse the Company for any costs incurred in connection with such election or the calculations required as a result of such an election.

4.3.5. **Pre-distribution Adjustment.** In the event property of the Company is distributed to one or more the Members in kind, there shall be allocated to the Members the amount of income, gain or loss which the Company would have recognized had such property been sold for its fair market value on the date of the distribution, to the extent such income, gain or loss has not previously been allocated among the Members. The allocation described in this section is referred to as the “Pre-Distribution Adjustment.”

5. **ARTICLE FIVE: MANAGEMENT**

5.1. **Management by Manager.**

5.1.1. **In General.** The business and affairs of the Company shall be directed, managed, and controlled by Agisle as the “manager” within the meaning of 6 Del. C. §18-101(12). In that capacity Agisle is referred to in this Agreement as the “Manager.”

5.1.2. **Powers of Manager.** The Manager shall have full and complete authority, power and discretion to manage and control the business, affairs and properties of the Company, to make all decisions regarding those matters, to execute any contracts or other instruments on behalf of the Company, and to perform any and all other acts or activities customary or incidental to the management of the Company’s business.

5.1.3. **Examples of Manager’s Authority.** Without limiting the grant of authority set forth in section 5.1.2, the Manager shall have the power to (i) determine and adjust the price of Class A Shares from time to time; (ii) issue Class A Shares to any person for such consideration as the Manager maybe determine in its sole discretion, and admit such persons to the Company as Class A Members; (iii) make all decisions concerning the Property; (iv) engage the services of third parties to perform services; (v) enter into joint ventures, leases and any other contracts of any kind; (vi) incur indebtedness, whether to banks or other lenders; (vii) determine the amount and the timing of distributions; (ix) determine the information to be provided to the Members; (x) grant mortgage, liens, and other encumbrances on the Property or other assets; (xi) make all elections under the Code and State and local tax laws; (xii) file and settle lawsuits; (xiii) file a petition in bankruptcy; (xiv) discontinue the business of the Company; (xv) sell all or any portion of the Property or other assets of the Company; and (xvi) dissolve the Company.

5.1.4. **Restrictions on Members.** Except as expressly provided otherwise in this Agreement, Members who are not also the Manager shall not be entitled to participate in the management or control of the Company, nor shall any such Member hold himself out as having such authority. Unless authorized to do so by the Manager, no attorney-in-fact, employee or other agent of the Company shall have any power or authority to bind the Company in any way, to pledge its credit or to render it liable pecuniarily for any purpose. No Member shall have any power or authority to bind the Company unless the Member has been authorized by the Manager in writing to act as an agent of the Company in accordance with the previous sentence.

5.2. **Reliance by Third Parties.** Anyone dealing with the Company shall be entitled to assume that the Manager and any officer authorized by the Manager to act on behalf of and in the name of the Company has full power and authority to encumber, sell or otherwise use in any manner any and all assets of the Company and to enter into any contracts on behalf of the Company, and shall be entitled to deal with the Manager or any officer as if it were the Company's sole party in interest, both legally and beneficially. No Member shall assert, vis-à-vis a third party, that such third party should not have relied on the apparent authority of the Manager or any officer authorized by the Manager to act on behalf of and in the name of the Company, nor shall anyone dealing with the Manager or any of its officers or representatives be obligated to investigate the authority of such person in a given instance.

5.3. **Transfer or Resignation by the Manager.** Agisle may not resign as the manager of the Company without the consent of Class A Members owning more than fifty percent (50%) of the Class A Shares then issued and outstanding. However, Agisle may, without the consent of the Class A Members (i) be reconstituted as or converted into a corporation or other form of entity (any such reconstituted or converted entity being deemed to be Agisle for all purposes hereof) by merger, consolidation, conversion or otherwise; or (ii) transfer all of its duties and responsibilities as the Manager to an entity under common control with the Agisle so long as, in either case, (A) such reconstitution or transfer does not have material adverse tax or legal consequences for the Company, and (B) such other entity agrees in writing to all of the terms and conditions of this Agreement and any other related agreements to which Agisle is a party.

5.4. **Act of Insolvency, Resignation, or Dissolution of Manager.**

5.4.1. **In General.** If the Manager should commit an Act of Insolvency, resign in violation of section 5.1.6, or dissolve, then (i) the Manager shall no longer be the manager of the Company, and (ii) a successor manager shall be elected by Class A Members owning more than fifty percent (50%) of the Class A Shares then issued and outstanding. If a successor manager is not elected within ninety (90) days, the Company shall be dissolved.

5.4.2. **Act of Insolvency.** The Manager shall be treated as having committed an "Act of Insolvency" if it (i) executes an assignment for the benefit of creditors; (ii) becomes a debtor in bankruptcy; (iii) seeks, consents to, or acquiesces in the appointment of a trustee, receiver or liquidator; (iv) fails, within ninety (90) days after the appointment, without its consent or acquiescence, of a trustee, receiver, or liquidator, to have the appointment vacated or stayed, or fails within ninety (90) days after the expiration of a stay to have the appointment vacated.

5.5. **Standard of Care.** The Manager shall conduct the Company's business using its business judgment.

5.6. **Time Commitment.** The Manager shall devote such time to the business and affairs of the Company as the Manager may determine in its sole and absolute discretion.

5.7. **Officers.** The Manager may, from time to time, designate officers of the Company, with such titles, responsibilities, compensation, and terms of office as the Manager may designate. Any officer may be removed by the Manager with or without cause. The appointment of an officer shall not in itself create contract rights.

5.8. **Formation Expenses.** The Company shall reimburse the Manager for the cost of forming the Company and offering Class A Shares to investors, including legal and accounting expenses.

5.9. **Compensation of Manager and Affiliates.**

5.9.1. **Platform Fee.** The Manager shall be entitled to a platform fee equal to five and one-half percent (5.50%) of the Capital Contributions of the Class A Members, paid at the time of such Capital Contributions.

5.9.2. **Other Compensation.** The Manager and its affiliates may be engaged to perform other services on behalf of the Company and shall be entitled to receive compensation for such services provided that such compensation is (i) fair to the Company, (ii) consistent with the compensation that would be paid between unrelated parties, and (iii) promptly disclosed to all of the Members.

5.9.3. **Fees Charged to Capital Accounts.** The fees described in section 5.10 and any other fees paid to the Manager or its affiliates shall be charged individually to the capital accounts of the Class A Members, *pro rata* in proportion to the number of Class A Shares owned by each Class A Member. However (i) fees shall not be charged to the capital account of Class A Members who are affiliates of the Manager, and (ii) the Manager may agree, *via* side letter, to reduce or waive any or all such fees for individual Class A Members for such reasons as the Manager may determine in its sole discretion, including the amount of a Class A Member's Capital Contribution, provided that the foregoing shall have the effect of reducing the aggregate fees paid to the Manager and not increasing the fees charged to the capital account of any other Class A Member.

5.10. **Removal of Manager.**

5.10.1. **In General.** The Manager may be removed by the affirmative vote of Class A Members holding two-thirds (2/3) of the total number of Class A Shares then issued and outstanding (a "Super Majority Vote"), but only if the Class A Members have "cause" to remove the Manager, as defined in section 5.11.3, and follow the procedure set forth in section 5.11.2.

5.10.2. Procedure.

(a) **Notice and Response.** A Class A Member who wishes to remove the Manager and believes there is “cause” for doing so within the meaning of section 5.11.3 shall notify the Manager, referencing this section 5.11 and setting forth in detail the reasons for his, her, or its belief. Within thirty (30) days after receiving such a notice, the Manager shall respond by acknowledging the receipt of the notice and (i) stating that the Manager does not believe there is merit in the Class A Member’s allegations, (ii) explaining why the Manager does not believe “cause” exists for removal, or (iii) stating that while “cause” may exist for removal, the Manager does not believe removal would be in the best interest in the Company. If the Manager fails to respond, the Manager shall be deemed to have stated that it does not believe there is merit in the Class A Member’s allegations. In the event the Class A Member communicates with any third party concerning his request for removal, including any other Class A Member but not including his, her, or its own legal counsel, he, she, or it shall include a copy of the Manager’s response. The failure of the Manager to include in its response any defense, facts, or arguments shall not preclude the Manager from including such defense, facts, or arguments in subsequent communications or proceedings.

(b) **Vote.** After following the procedure described in section 5.11.2(a), Class A Members owning at least twenty five percent (25%) of the Class A Shares then issued and outstanding (the “Dissident Members”) may call for a vote of the Class A Members. The Manager and a single representative chosen by the Dissident Members shall cooperate in sending to all Class A Members a package of materials bearing on whether “cause” exists under section 5.11.3 and whether it is in the best interest of the Company to remove the Manager, and a vote shall be taken by electronic means, with responses due within thirty (30) days. The failure of the Manager or the Dissident Members to include in this package any defense, facts, or arguments shall not preclude them from including such defense, facts, or arguments in subsequent communications or proceedings.

(c) **Arbitration.** In the event of a Super Majority Vote to remove the Manager within the thirty (30) day period described in section 5.11.2(b), then the question as to whether “cause” exists to remove the Manager shall be referred to a single arbitrator in arbitration proceedings held in Wilmington, Delaware in conformance with the then-current rules and procedures of the American Arbitration Association. The removal of the Manager shall not become effective until the arbitrator determines that “cause” exists; the decision of the arbitrator shall be binding and non-appealable. In the event there is no Super Majority Vote to remove the Manager within the thirty (30) day period described in section 5.11.2(b), then the Manager shall not be removed and no subsequent proceeding to remove the Manager shall be held with respect to substantially similar grounds.

(d) **Cause Defined.** For purposes of this section 5.11, “cause” shall be deemed to exist if any only if:

(1) **Uncured Breach.** The Manager breaches any material provision of this Agreement and the breach continues for more than (30) days after the Manager has received written notice, or, in the case of a breach that cannot be cured within thirty (30) days, the Manager fails to begin curing the breach within thirty (30) days or the breach remains uncured for ninety (90) days; or

(2) **Bankruptcy.** The Manager makes a general assignment for the benefit of its creditors; or is adjudicated a bankrupt; or files a voluntary petition in bankruptcy; or files a petition or answer seeking reorganization or an arrangement with creditors, or to take advantage of any insolvency, readjustment of loan, dissolution or liquidation law or statute; or an order, judgment, or decree is entered without the Manager’s consent appointing a receiver, trustee or liquidator for the Manager; or

(3) **Bad Acts.** The Manager engages in willful misconduct or acts with reckless disregard to its obligations, in each case causing material harm to the Company, or engages in bad faith in activities that are beneficial to itself and cause material harm to the Company, and the individual responsible for such actions is not terminated within thirty (30) days after the Manager becomes aware of such actions.

(e) **No Effect on Ownership.** The removal of Agisle as the manager pursuant to this section 5.11 shall not affect its ownership of Class B Shares.

6. ARTICLE SIX: OTHER BUSINESSES; INDEMNIFICATION; CONFIDENTIALITY

6.1. **Other Businesses.** Each Member and Manager may engage in any business whatsoever, including a business that is competitive with the business of the Company, and the other Members shall have no interest in such businesses and no claims on account of such businesses, whether such claims arise under the doctrine of “corporate opportunity,” an alleged fiduciary obligation owed to the Company or its members, or otherwise. Without limiting the preceding sentence, the Members acknowledge that the Manager and/or its affiliates intend to sponsor, manage, invest in, and otherwise be associated with other entities and business investing in the same assets class(es) as the Company, some of which could be competitive with the Company. No Member shall have any claim against the Manager or its affiliates on account of such other entities or businesses.

6.2. Exculpation and Indemnification

6.2.1. Exculpation.

(a) **Covered Persons.** As used in this section 6.2, the term “Covered Person” means (i) the Manager and its affiliates, (ii) the members, managers, officers, employees, and agents of the Manager and its affiliates, and (iii) the officers, employees, and agents of the Company, each acting within the scope of his, her, or its authority.

(b) **Standard of Care.** No Covered Person shall be liable to the Company for any loss, damage or claim incurred by reason of any action taken or omitted to be taken by such Covered Person, including actions taken or omitted to be taken under this Agreement, in the good-faith business judgment of such Covered Person, so long as such action or omission does not constitute fraud or willful misconduct by such Covered Person.

(c) **Good Faith Reliance.** A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports, or statements (including financial statements and information) of the following persons: (i) another Covered Person; (ii) any attorney, independent accountant, appraiser, or other expert or professional employed or engaged by or on behalf of the Company; or (iii) any other person selected in good faith by or on behalf of the Company, in each case as to matters that such relying Covered Person reasonably believes to be within such other person’s professional or expert competence. The preceding sentence shall in no way limit any person’s right to rely on information to the extent provided in the Act.

6.2.2. Liabilities and Duties of Covered Persons.

(a) **Limitation of Duties.** This Agreement is not intended to, and does not, create or impose any fiduciary duty on any Covered Person. Furthermore, each Member and the Company hereby waives any and all fiduciary duties that, absent such waiver, may be implied by applicable law, and in doing so, acknowledges and agrees that the duties and obligation of each Covered Person to each other and to the Company are only as expressly set forth in this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Covered Person otherwise existing at law or in equity, are agreed by the Members to replace such other duties and liabilities of such Covered Person.

(b) **Limitation of Liability.** Each Member agrees that, except as otherwise provided by applicable law that may not be waived by contract (i) the liability of the Manager and its affiliates for an action arising from the organization or operation of the Company, or the sale of Shares or other limited liability company interests shall be limited to the value of the Class B Shares; and (ii) the Manager and its affiliates shall not be liable for lost profits or consequential, special or punitive damages.

(c) **Duties.** Whenever a Covered Person is permitted or required to make a decision, the Covered Person shall be entitled to consider only such interests and factors as such Covered Person desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Company or any other person. Whenever in this Agreement a Covered Person is permitted or required to make a decision in such Covered Person's "good faith," the Covered Person shall act under such express standard and shall not be subject to any other or different standard imposed by this Agreement or any other applicable law.

6.2.3. **Indemnification.**

(a) **Indemnification.** To the fullest extent permitted by the Act, as the same now exists or may hereafter be amended, substituted or replaced (but, in the case of any such amendment, substitution or replacement only to the extent that such amendment, substitution or replacement permits the Company to provide broader indemnification rights than the Act permitted the Company to provide prior to such amendment, substitution or replacement), the Company shall indemnify, hold harmless, defend, pay and reimburse any Covered Person against any and all losses, claims, damages, judgments, fines or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines or liabilities, and any amounts expended in settlement of any claims (collectively, "Losses") to which such Covered Person may become subject by reason of any act or omission or alleged act or omission performed or omitted to be performed by such Covered Person on behalf of the Company in connection with the business of the Company, including pursuant to the Management Agreement; provided, that (i) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful, and (ii) such Covered Person's conduct did not constitute fraud or willful misconduct, in either case as determined by a final, nonappealable order of a court of competent jurisdiction. In connection with the foregoing, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Covered Person did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful, or that the Covered Person's conduct constituted fraud or willful misconduct.

(b) **Reimbursement.** The Company shall promptly reimburse (and/or advance to the extent reasonably required) each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend or defending any claim, lawsuit or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this section 6.2.3; provided, that if it is finally judicially determined that such Covered Person is not entitled to the indemnification provided by this section 6.2.3, then such Covered Person shall promptly reimburse the Company for any reimbursed or advanced expenses.

(c) **Entitlement to Indemnity.** The indemnification provided by this section 6.2.3 shall not be deemed exclusive of any other rights to indemnification to which those seeking indemnification may be entitled under any agreement or otherwise. The provisions of this section 6.2.3 shall continue to afford protection to each Covered Person regardless whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to indemnification under this section 6.2.3 and shall inure to the benefit of the executors, administrators, and legal representative of such Covered Person.

(d) **Insurance.** To the extent available on commercially reasonable terms, the Company may purchase, at its expense, insurance to cover Losses covered by the foregoing indemnification provisions and to otherwise cover Losses for any breach or alleged breach by any Covered Person of such Covered Person's duties in such amount and with such deductibles as the Manager may determine; provided, that the failure to obtain such insurance shall not affect the right to indemnification of any Covered Person under the indemnification provisions contained herein, including the right to be reimbursed or advanced expenses or otherwise indemnified for Losses hereunder. If any Covered Person recovers any amounts in respect of any Losses from any insurance coverage, then such Covered Person shall, to the extent that such recovery is duplicative, reimburse the Company for any amounts previously paid to such Covered Person by the Company in respect of such Losses.

(e) **Funding of Indemnification Obligation.** Any indemnification by the Company pursuant to this section 6.2.3 shall be provided out of and to the extent of Company assets only, and no Member shall have personal liability on account thereof or shall be required to make additional capital contributions to help satisfy such indemnification obligation.

(f) **Savings Clause.** If this section 6.2.3 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Covered Person pursuant to this section 6.2.3 to the fullest extent permitted by any applicable portion of this section 6.3 that shall not have been invalidated and to the fullest extent permitted by applicable law.

6.2.4. **Amendment.** The provisions of this section 6.2 shall be a contract between the Company, on the one hand, and each Covered Person who served in such capacity at any time while this section is in effect, on the other hand, pursuant to which the Company and each such Covered Person intend to be legally bound. No amendment, modification or repeal of this section that adversely affects the rights of a Covered Person to indemnification for Losses incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Covered Person's entitlement to indemnification for such Losses without the Covered Person's prior written consent.

6.2.5. **Survival.** The provisions of this section 6.2 shall survive the dissolution, liquidation, winding up, and termination of the Company.

6.3. Confidentiality.

6.3.1. **In General.** Each Class A Member shall maintain the confidentiality of all Confidential Information, as defined below, using no less care than such Class A Member uses to protect such Class A Member's own confidential or proprietary information, and shall not use any Confidential Information for such Investor's own benefit or the benefit of any other person. Notwithstanding the foregoing, a Class A Member may disclose Confidential Information if required by legal process, provided that if a Class A Member receives a request or demand for the disclosure of Confidential Information the Class A Member shall (i) promptly notify the Company and the Manager of the existence, terms and circumstances surrounding such request, (ii) consult with the Company and the Manager regarding taking steps to resist or narrow such request, (iii) if disclosure of such information is required, furnish only such portion of such information as such Class A Member is advised by counsel is legally required to be disclosed, and (iv) cooperate with the Company and the Manager in their efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to such portion of the information that is required to be disclosed.

6.3.2. **Confidential Information.** The term "Confidential Information" means (i) information regarding the Company, the Manager, the Project Entities, the real estate projects owned by the Project Entities, or the members of the Company that a reasonable person would understand to be confidential or proprietary, including but not limited to financial information, business plans, and the names of tenants, employees, and suppliers; (ii) any information subject to a confidentiality agreement binding upon the Manager or the Company of which the Class A Member has been provided written notice; and (iii) the names and other identifying information of Members.

6.4. **Restrictions on Members.** Without the prior written consent of the Manager, which may be withheld in the Manager's sole discretion, no Member who is not also the Manager may go on the Property physically or contact any person in connection with the Property, including but not limited to tenants, real estate agents, lenders, and government officials.

7. ARTICLE SEVEN: BANK ACCOUNTS; BOOKS OF ACCOUNT

7.1. **Bank Accounts.** Funds of the Company may be deposited in accounts at banks or other institutions selected by the Manager. Withdrawals from any such account or accounts shall be made in the Company's name upon the signature of such persons as the Manager may designate. Funds in any such account shall not be commingled with the funds of any Member.

7.2. **Books and Records of Account.** The Company shall keep at its principal office books and records of account of the Company which shall reflect a full and accurate record of each transaction of the Company.

7.3. **Financial Statements and Reports.** Within a reasonable period after the close of each fiscal quarter, the Company shall furnish to each Member with respect to such fiscal quarter (i) a statement showing in reasonable detail the computation of the amount distributed under section 4.1, and the manner in which it was distributed (ii) a balance sheet of the Company, (iii) a statement of income and expenses, and (iv) such additional information as may be required by law. Within a reasonable period after the close of each fiscal year, the Company shall furnish to each Member the same information with respect to such fiscal year, as well as K-1 schedules. The financial statements of the Company need not be audited by an independent certified public accounting firm unless the Manager so elects or the law so requires.

7.4. **Right to Inspect Books and Records.**

7.4.1. **In General.** If a Member wishes additional information or to inspect the books and records of the Company for a *bona fide* purpose, the following procedure shall be followed: (i) such Member shall notify the Manager, setting forth in reasonable detail the information requested and the reason for the request; (ii) within sixty (60) days after such a request, the Manager shall respond to the request by either providing the information requested or scheduling a date (not more than 90 days after the initial request) for the Member to inspect the Company's records; (iii) any inspection of the Company's records shall be at the sole cost and expense of the requesting Member; and (iv) the requesting Member shall reimburse the Company for any reasonable costs incurred by the Company in responding to the Member's request and making information available to the Member.

7.4.2. **Bona Fide Purpose.** The Manager shall not be required to respond to a request for information or to inspect the books and records of the Company if the Manager believes such request is made to harass the Company or the Manager, to seek confidential information about the Company, or for any other purpose other than a *bona fide* purpose.

7.4.3. **Representative.** An inspection of the Company's books and records may be conducted by an authorized representative of a Member, provided such authorized representative is an attorney or a licensed certified public accountant and is reasonably satisfactory to the Manager.

7.4.4. **Restrictions.** The following restrictions shall apply to any request for information or to inspect the books and records of the Company:

(a) No Member shall have a right to a list of the Class A Members or any information regarding the Class A Members.

(b) Before providing additional information or allowing a Member to inspect the Company's records, the Manager may require such Member to execute a confidentiality agreement satisfactory to the Manager.

(c) No Member shall have the right to any trade secrets of the Company or any other information the Manager deems highly sensitive and confidential.

(d) No Member may review the books and records of the Company more than once during any twelve (12) month period.

(e) Any review of the Company's books and records shall be scheduled in a manner to minimize disruption to the Company's business.

(f) A representative of the Company may be present at any inspection of the Company's books and records.

(g) If more than one Member has asked to review the Company's books and records, the Manager may require the requesting Members to consolidate their request and appoint a single representative to conduct such review on behalf of all requesting Members.

(h) The Manager may impose additional reasonable restrictions for the purpose of protecting the Company and the Members.

7.5. Right to Inspect Property. Notwithstanding section 6.4, a Member may physically inspect the Property subject to the following conditions:

7.5.1. Any such inspection requires the prior written consent of the Manager, which shall not be unreasonably withheld.

7.5.2. Before entering on the Property, such Member shall sign a release form approved by the Manager, releasing all claims for injury.

7.5.3. Any such inspection shall take place at a time convenient to the Manager and the operations of the Property.

7.5.4. The Manager may limit the Member's access to certain portions of the Property for safety reasons.

7.6. Tax Matters.

7.6.1. **Designation.** The Manager shall be designated as the "company representative" (the "Company Representative") as provided in Code section 6223(a). Any expenses incurred by the Company Representative in carrying out its responsibilities and duties under this Agreement shall be an expense of the Company for which the Company Representative shall be reimbursed.

7.6.2. **Tax Examinations and Audits.** The Company Representative is authorized to represent the Company in connection with all examinations of the affairs of the Company by any taxing authority, including any resulting administrative and judicial proceedings, and to expend funds of the Company for professional services and costs associated therewith. Each Member agrees to cooperate with the Company Representative and to do or refrain from doing any or all things reasonably requested by the Company Representative with respect to the conduct of examinations by taxing authorities and any resulting proceedings. Each Member agrees that any action taken by the Company Representative in connection with audits of the Company shall be binding upon such Members and that such Member shall not independently act with respect to tax audits or tax litigation affecting the Company. The Company Representative shall have sole discretion to determine whether the Company (either on its own behalf or on behalf of the Members) will contest or continue to contest any tax deficiencies assessed or proposed to be assessed by any taxing authority.

7.6.3. **BBA Elections and Procedures.** In the event of an audit of the Company that is subject to the Company audit procedures enacted under Code sections 6225, *et seq.*, (the “Audit Procedures”), the Company Representative, in its sole discretion, shall have the right to make any and all elections and to take any actions that are available to be made or taken by the Company, including any election under Code section 6226. If an election under Code section 6226(a) is made, the Company shall furnish to each Member for the year under audit a statement of the Member’s share of any adjustment set forth in the notice of final Company adjustment, and each Member shall take such adjustment into account as required under Code section 6226(b).

7.6.4. **Tax Returns and Tax Deficiencies.** Each Member agrees that such Member shall not treat any Company item inconsistently on such Member’s federal, state, foreign or other income tax return with the treatment of the item on the Company’s return. Any deficiency for taxes imposed on any Member (including penalties, additions to tax or interest imposed with respect to such taxes and any tax deficiency imposed pursuant to Code section 6226) will be paid by such Member and if required to be paid (and actually paid) by the Company, will be recoverable from such Member.

7.6.5. **Tax Returns.** The Manager shall cause to be prepared and timely filed all tax returns required to be filed by or for the Company.

8. **ARTICLE EIGHT: TRANSFERS OF SHARES**

8.1. **Transfers by Class A Members.**

8.1.1. **In General.** No Class A Member (a “Transferor”) may sell, transfer, dispose of, or encumber (each, a “Transfer”) any of his, her, or its Class A Shares (the “Transferred Shares”), without or without consideration, without (i) the written consent of the Manager, which may not be unreasonably withheld; and (ii) complying with this Article Eight. Any attempted sale, transfer, or encumbrance not permitted in this Article Eight shall be null and void and of no force or effect.

8.1.2. **First Right of Refusal.**

(a) **In General.** In the event a Class A Member (the “Selling Member”) receives an offer from a third party to acquire all or a portion of his, her, or its Class A Shares (the “Transfer Shares”), then he, she, or it shall notify the Manager, specifying the Class A Shares to be purchased, the purchase price, the approximate closing date, the form of consideration, and such other terms and conditions of the proposed transaction that have been agreed with the proposed purchaser (the “Sales Notice”). Within thirty (30) days after receipt of the Sales Notice the Manager shall notify the Selling Member whether the Manager or a person designated by the Manager elects to purchase the entire Transfer Shares on the terms set forth in the Sales Notice.

(b) **Special Rules.** The following rules shall apply for purposes of this section:

(1) If the Manager elects not to purchase the Transfer Shares or fails to respond to the Sales Notice within the thirty (30) day period described above, the Selling Member may proceed with the sale to the proposed purchaser, subject to section 8.1.1.

(2) If the Manager elects to purchase the Transfer Shares, it shall do so within thirty (30) days.

(3) If the Manager elects not to purchase the Transfer Shares, or fails to respond to the Sales Notice within the thirty (30) day period described above, and the Selling Member and the purchaser subsequently agree to a reduction of the purchase price, a change in the consideration from cash or readily tradeable securities to deferred payment obligations or nontradeable securities, or any other material change to the terms set forth in the Sales Notice, such agreement between the Selling Member and the purchaser shall be treated as a new offer and shall again be subject to this section.

(4) If the Manager elects to purchase the Transfer Shares in accordance with this section, such election shall have the same binding effect as the then-current agreement between the Selling Member and the proposed purchaser. Thus, for example, if the Selling Member and the purchaser have entered into a non-binding letter of intent but have not entered into a binding definitive agreement, the election of the Manager shall have the effect of a non-binding letter of intent with the Selling Member. Conversely, if the Selling Member and the purchaser have entered into a binding definitive agreement, the election of the Manager shall have the effect of a binding definitive agreement. If the Selling Member and the Manager are deemed by this subsection to have entered into only a non-binding letter of intent, neither shall be bound to consummate a transaction if they are unable to agree to the terms of a binding agreement.

8.1.3. Application to Entities. In the case of a Class A Member that is a Special Purpose Entity, the restrictions set forth in section 8.1.1 and section 8.1.2 shall apply to indirect transfers of interests in the Company by transfers of interests in such entity (whether by transfer of an existing interest or the issuance of new interests), as well as to direct transfers. A “Special Purpose Entity” means (i) an entity formed or availed of principally for the purpose of acquiring or holding an interest in the Company, and (ii) any entity if the purchase price of its interest in the Company represents at least seventy percent (70%) of its capital.

8.1.4. Exempt Transfers. The following transactions shall be exempt from the provisions of section 8.1.1 and section 8.1.2:

(a) A transfer to or for the benefit of any spouse, child or grandchild of a Transferor who is an individual, or to a trust for their exclusive benefit;

(b) Any transfer pursuant to an effective registration statement filed by the Company under the Securities Act of 1933, as amended; and

(c) The sale of all or substantially all of the interests of the Company (including pursuant to a merger or consolidation) to a third party;

provided, however, that in the case of a transfer pursuant to section 8.1.4(a) (i) the Transferred Shares shall remain subject to this Agreement, (ii) the transferee shall, as a condition to such transfer, deliver to the Company a written instrument confirming that such transferee shall be bound by all of the terms and conditions of this Agreement, and (iii) the Transferred Shares shall not thereafter be transferred further in reliance on section 8.1.4(a).

8.1.5. **Rights of Assignee.** Until and unless a person who is a transferee of Class A Shares is admitted to the Company as a Class A Member pursuant to section 8.1.6 below, such transferee shall be entitled only to the allocations and distributions with respect to the Transferred Shares in accordance with this Agreement and, to the fullest extent permitted by applicable law, including but not limited to 6 Del. C. §18-702(b), shall not have any non-economic rights of a Member of the Company, including, without limitation, the right to require any information on account of the Company's business, inspect the Company's books, or vote on Company matters.

8.1.6. **Conditions of Transfer.** A transferee of Transferred Shares pursuant to section 8.1 shall have the right to become a Class A Member pursuant to 6 Del. C. §18-704 if and only if all of the following conditions are satisfied:

(a) The transferee has executed a copy of this Agreement, agreeing to be bound by all of its terms and conditions;

(b) A fully executed and acknowledged written transfer agreement between the Transferor and the transferee has been filed with the Company;

(c) All costs and expenses incurred by the Company in connection with the transfer are paid by the transferor to the Company, without regard to whether the proposed transfer is consummated; and

(d) The Manager determines, and such determination is confirmed by an opinion of counsel satisfactory to the Manager stating, that (i) the transfer does not violate the Securities Act of 1933 or any applicable state securities laws, (ii) the transfer will not require the Company or the Manager to register as an investment company under the Investment Company Act of 1940, (iii) the transfer will not require the Manager or any affiliate that is not registered under the Investment Advisers Act of 1940 to register as an investment adviser, (iv) the transfer would not pose a material risk that (A) all or any portion of the assets of the Company would constitute "plan assets" under ERISA, (B) the Company would be subject to the provisions of ERISA, section 4975 of the Code or any applicable similar law, or (C) the Manager would become a fiduciary pursuant to ERISA or the applicable provisions of any similar law or otherwise, and (v) the transfer will not violate the applicable laws of any state or the applicable rules and regulations of any governmental authority; *provided*, that the delivery of such opinion may be waived, in whole or in part, at the sole discretion of the Manager.

8.1.7. **Admission of Transferee.** Any permitted transferee of Class A Shares shall be admitted to the Company as a Member on the date agreed by the transferor, the transferee, and the Manager.

8.2. **Death, Disability, Etc.** Upon the death, bankruptcy, disability, legal incapacity, legal dissolution, or any other voluntary or involuntary act of a Class A Member, neither the Company nor the Manager shall have the obligation to purchase the Class A Shares owned by such Class A Member, nor shall such Class A Member have the obligation to sell his, her, or its Class A Shares. Instead, the legal successor of such Class A Member shall become an assignee of the Class A Member pursuant to section 8.1.5, subject to all of the terms and conditions of this Agreement.

8.3. **Incorporation.** If the Manager determines that the business of the Company should be conducted in a corporation rather than in a limited liability company, whether for tax or other reasons, each Member shall cooperate in transferring the business to a newly formed corporation and shall execute such agreements as the Manager may reasonably determine are necessary or appropriate, consistent with the terms of this Agreement. In such event each Member shall receive stock in the newly formed corporation equivalent to his, her, or its Shares.

8.4. **Waiver of Appraisal Rights.** Each Member hereby waives any contractual appraisal rights such Member may otherwise have pursuant to 6 Del. C. §18-210 or otherwise, as well as any “dissenter’s rights.”

8.5. **Drag-Along Right.**

8.5.1. **In General.** In the event the Manager approves a sale or other disposition of all of the issued and outstanding Shares of the Company or, alternatively, all of the issued and outstanding Class A Shares, then, upon notice of the sale or other disposition, each Member, or each Class A Member, shall execute such documents or instruments as may be requested by the Manager to effectuate such sale or other disposition and shall otherwise cooperate with the Manager.

8.5.2. **Special Rules.** The following rules shall apply to any sale or other disposition described in section 8.5.1:

(a) If the sale or other disposition is to the Manager or any person related to the Manager, the selling price shall not be less than the selling Members, or Class A Members, would receive if all of the assets of the Company were sold for their fair market value, the liabilities of the Company were satisfied, and the net proceeds were distributed among the Members in liquidation of the Company.

(b) Each Member, or Class A Member, shall represent that he, she, or it owns his, her, or its Shares free and clear of all liens and other encumbrances, that he, she, or it has the power to enter into the transaction, and whether he, she, or it is a U.S. person, but shall not be required to make any other representations or warranties.

(c) Each Member, or Class A Member, shall grant to the Manager a power of attorney to act on behalf of such Member or Class A Member in connection with such sale or other disposition.

(d) Each Member, or Class A Member, shall receive, as consideration for such sale or other disposition, the same amount he, she, or it would have received had all or substantially all of the assets of the Company been sold, the liabilities of the Company satisfied, and the net proceeds distributed among the Members in liquidation of the Company.

8.5.3. **Related Person Defined.** For purposes of section 8.5.2(a), a person shall be treated as “related” to the Manager if such person bears a relationship to the Manager described in section 267(b) of the Code or in section 707(b) of the Code, determined by substituting the phrase “at least 10%” for the phrase “more than 50%” each place it appears in such sections.

8.6. **Mandatory Redemptions.**

8.6.1. **Based on ERISA Considerations.** The Manager may, at any time, cause the Company to purchase all or any portion of the Class A Shares owned by a Member whose assets are governed by Title I of the Employee Retirement Income Security Act of 1974, Code section 4975, or any similar Federal, State, or local law, if the Manager determines that all or any portion of the assets of the Company would, in the absence of such purchase, more likely than not be treated as “plan assets” or otherwise become subject to such laws.

8.6.2. **Based on Other Bona Fide Business Reasons.** The Manager may, at any time, cause the Company to purchase all of the Class A Shares owned by a Member if the Manager determines that (i) such Member made a material misrepresentation to the Company; (ii) legal or regulatory proceedings are commenced or threatened against the Company or any of its members arising from or relating to the Member’s interest in the Company; (iii) the Manager believes that such Member’s ownership has caused or will cause the Company to violate any law or regulation; (iv) such Member has violated any of his, her, or its obligations to the Company or to the other Members; or (ii) such Member is engaged in, or has engaged in conduct (including but not limited to criminal conduct) that (A) brings the Company, or threatens to bring the Company, into disrepute, or (B) is adverse and fundamentally unfair to the interests of the Company or the other Members.

8.6.3. **Purchase Price and Payment.** In the case of any purchase of Shares described in this section 8.6 (i) the purchase price of the Shares shall be ninety percent (90%) of the amount the Member would receive with respect to such Shares if all of the assets of the Company were sold for their fair market value, all the liabilities of the Company were paid, and the net proceeds were distributed in accordance with section 4.1; and (ii) the purchase price shall be paid by wire transfer or other immediately-available funds at closing, which shall be held within sixty (60) days following written notice from the Manager.

8.7. **Section 1031 Exchange.** The Manager may exchange the Company’s interest in the Property for other property in a transaction described in Code section 1031, but only if, in connection with such transaction, each Class A Member is given the option to sell all (but not less than all) his, her, or its Class A Shares back to the Company for an amount equal to the amount such Class A Member would receive if all the assets of the Company were sold for their fair market value, the liabilities of the Company were satisfied, and the net proceeds were distributed among the Members in liquidation of the Company.

8.8. **Pledge of Class A Shares.** In the event the Manager determines that the Company should borrow money and the lender requires a pledge of the equity securities of the Company as collateral, then each Class A Member shall execute such instruments as the lender may require to pledge all of such Class A Member’s Class A Shares to or for the benefit of the lender and represent that he, she, or its owns such Class A Shares free from all liens and other encumbrances, provided that no Class A Member shall be required to assume personal liability for the indebtedness, pledge any other assets, or assume any other obligations.

8.9. Fair Market Value of Assets.

8.9.1. In General. For purposes of section 8.5, section 8.6.3, and section 8.7, the fair market value of the Company's assets shall be as agreed by the Manager and the Member(s) whose Shares are being purchased. If they cannot agree, the fair market values shall be determined by a single qualified appraiser chosen by the mutual agreement of the Manager and the Member(s) in question. If they cannot agree on a single appraiser, then they shall each select a qualified appraiser to determine the fair market value. Within forty-five (45) days, each such appraiser shall determine the fair market value, and if the two values so determined differ by less than ten percent (10%) then the arithmetic average of the two values shall conclusively be deemed to be the fair market value of the assets. If the two values differ by more than ten percent (10%), then the two appraisers shall be instructed to work together for a period of ten (10) days to reconcile their differences, and if they are able to reconcile their differences to within a variation of ten percent (10%), the arithmetical average shall conclusively be deemed to be the fair market value. If they are unable to so reconcile their differences, then the two appraisers shall, within ten (10) additional days, pick a third appraiser. The third appraiser shall, within an additional ten (10) days, review the appraisals performed by the original two, and select the one that he believes most closely reflects the fair market value of the Company's assets, and that appraisal shall conclusively be deemed to be the fair market value.

8.9.2. Special Rules.

8.9.3. Cost of Appraisals. The Company on one hand and the Class A Member(s) whose Shares are being purchased on the other hand shall each pay for the appraisal such party obtains pursuant to section 8.9.1. If a third appraiser is required, the parties shall share the cost equally.
