PROFILE

Matthew Q. Nelson is a documentary filmmaker based in the Dallas–Fort Worth Metroplex, working nationwide. With over 15 years of experience, he directs, films, produces, and edits documentary, branded, and humanitarian projects. His work combines cinematic storytelling with emotional authenticity, including projects for Cisco, World Central Kitchen, and Warner Bros. His documentaries have reached millions of viewers. Matthew has also contributed as a cinematographer to Gotham Film & Media Institute-sponsored documentaries, shaping compelling, socially-driven stories.
