

Administration Fee Schedule

Current administration fee: \$0

EQC currently charges no administration fees. This applies across EQC enrolments, regardless of state or funding arrangement. Your tuition fees and any other separately disclosed course costs are explained in your written offer and the Fees, Charges and Refunds Policy.

Unusual or extensive requests

If you request an unusual or extensive service, please contact Student Services to discuss what assistance we can provide and the expected timeframe. Making a request does not create a fee.

Any future charge for an optional additional service will be introduced only where permitted by applicable requirements, with its scope and total price disclosed before you agree to the service. Services already included in your enrolment will remain included.

Your included services and rights

Three assessment attempts per unit are included in your student fee. This schedule does not create an extra assessment, withdrawal or deferral charge and does not change your existing refund rights. Read it with the Fees, Charges and Refunds Policy and the relevant withdrawal or deferral policy.

Funding and loan rules that prohibit or limit a charge take priority. Your agreement to an optional service does not override those protections.

Questions or support

Contact Student Services at team@equinimcollege.com or 1800 338 883. If you disagree with a charge, you can use our Complaints and Appeals Policy.

Admission to EQC

EQC only enrolls students aged 18 or older at enrolment, with no under-18 exceptions. This is EQC's admission rule, separate from government funding eligibility.
