PRODUCT SHEET

STALICO® Rental Lighting

Compact 6.9 m light mast for the rental fleet

Mast extended with 4 lamps

STALICO® Rental Lighting is a compact version of our standard light mast. Thanks to its heavier base no outriggers and no extra ballast are needed, which makes it quick to place and ideal for rental fleets.

BENEFITS

- No outriggers — heavy base
- No extra ballast needed
- Stackable per 2
- Steel cage protects the mast
- Built for intensive rental use

TECHNICAL SPECIFICATIONS	
Mast height	Telescopic up to 6.9 m
Lighting	4 × 100 W
Weight	650 kg
Dimensions closed	100 × 100 × 237 cm
