OVERVIEW

The full Butterfly Table will allow the safe flipping of pre-fab wall frames to enable fitout on both sides of the wall with safety and efficiency. Can also be used as a build table with clamping options available.

FEATURES

- 1 fixed table
- 1 floating table, to allow for different wall thicknesses
- 3 flat top chains in fixed table for easy transport of walls onto and off table

OPTIONS

- Modular design - multiple tables can be joined to extend tables
- Clamping accessories, to use as build table
- ½ Butterfly Table available, for standing walls
- Chains in table
