OVERVIEW

The Build Table allows you to assemble wall frames, as well as hold assembled wall frames square, ready for sheathing to be aligned and tacked in place for nailing.

It's a great addition to your full wall frame solution!

FEATURES

- Controls allow you to adjust the table to correct height for wall assembly or squaring
- Clamped frame allows ease of sheathing to take place
- Simple eject function
- Can load sub assemblies with window and door openings if required
- Foot switch allows operator to hold frame against stops while squaring
- UL Listed Industrial Control Panels

OPTIONS

- Also available in 16ft width
