Education

University of California, Davis | Davis, CA

BA Design, Theatre Minor | GPA: 3.95 | Sep 2019 - June 2023

Coursework: Information Design, UIUX Design, Coding for Designers, Interactive Media, Letterforms & Type

Honors: Regents Scholarship, Edward Kraft Prize, Dean's Honors list

Award: Safe Jobs for Youth Month Poster Contest 2nd Place

Experience

Botanik Tea and Herbs | Davis, CA

Graphic Designer | Aug 2019 - Present

Designed the main website through Figma. Involved in package design for cohesive branding with the website and products. Edited product photos via Adobe Photoshop and Lightroom.

University of Michigan | Remote

UX Design Intern | Jan 2020 - Aug 2021

Collaborated with designers to develop and improve the design of the university's online database. Identified UI issues and proposed innovative solutions. Made prototypes using sketch.

Breaking Barriers | Davis, CA

Product Designer | Sept 2020 - Feb 2021

Designed the wireframe using figma and coded the website using HTML and CSS. Worked under a lead designer and brought new perspective to the digital experiences.

Autism Neurodiversity Community | Davis, CA

Product Designer | Jun - Aug 2019

Created the mobile and desktop version for the official website. Experienced working with a diverse community of people, including people with special needs.

Drawing land Art Tutor School | Gyeonggi-do, South Korea

Art Teacher | Jun - Sept 2019

Taught elementary students basic art skills. Worked with people outside of my age range and developed effective communication skills.
