This is determined as using the formula $\text{Points For} \div \text{Points Against}$
- d. If after the second classification there are two (2) or more teams still tied (i.e. identical goal percentage), the result(s) of game(s) from all the pool games involving the tied teams will be used to determine the final placings by calculating GOAL PERCENTAGE using the results of all pool games.

Note: In some formats games results from initial pools may be carried over to new pools and will be included in the classification of teams in the new pool.

4.13 No “Zone” Rule

- a. The use of Zone Defence is banned at Under 12 and Under 14 State Championships. This is to encourage the development of defensive and offensive skills in the younger athletes. for this service. The administrative fee will be a maximum of \$10 per scorer provided. Whilst Host Associations may have this service on offer it is the ultimate responsibility of the team to ensure the Scoretable is staffed for all their games.

- c. If a team does not have a Scoretable official present, and the Host Association is unable to provide one, the Manager of the team will be required to fill this position. If the manager is unable to fill this position, then the coach must become the Scoretable official. If the coach is unable to fill this position and the team is then unable to provide the required Scoretable the game will be classified a forfeit by the team unable to provide the Scoretable official/s.
- d. The Scoretable should consist of a person for the approved electronic scoring system, the game clock, 24-second shot clock operator and chairperson. It is preferred that all persons on Scoretable reach an agreement of who will fulfil which roles, however, should a disagreement arise over duties, Team A will be responsible for game clock and shot clock, while Team B will be responsible for Scoring and chairperson.

4.15 Referees

- a. It is the member association's responsibility to adequately assign a suitably qualified referee for each of their nominated teams in the U12 and U14 age groups.
