

## 2026 CBSQ Open Major Tournament Playing Uniform Information

The following information outlines team uniform rules, compression garment regulations, and playing colours of all teams.

- The uniform of the team members shall consist of:
  - Singlets of the same dominant colour front and back. Players **must** tuck their singlets into their playing shorts.
  - Shorts of the same dominant colour front and back, but not necessarily of the same colour as the shirts.
  - Each team member shall wear a singlet numbered on the front and the back with plain numbers, of a solid colour contrasting with the colour of the shirt. The numbers shall be clearly visible.
- Uniforms are to be numbered with printed numbers on front and back of the singlet. The following numbers are permitted to be used 0, 00 and any number between 1 - 99 in accordance with the Official FIBA Rules.
- An alternate set of playing singlets **must** be readily available for each game and the colours between each set **must** be distinctly light and dark. The same playing numbers must be allocated to players in both uniforms; however, if they are not the Event Commissioner is to be informed prior to the event.
- In the event of two teams having the same or similar coloured primary uniforms, the first named team on the draw (Team A) **must** wear their primary uniform and the second named team (Team B) **must** wear their alternate uniform. However, if the two teams agree, they may interchange the colours of the shirts. The Referees will have the final say as to whether there is a clash of uniforms.
- Playing shorts **cannot** have pockets.
- Each team is required to carry at least one (1) spare playing singlet and shorts in case a uniform is spoilt by blood. The spare uniform is to be of a different number to those already listed on the scoresheet.
- Compression garments must be black or white. No non-compression T-shirts, or full body suits are to be worn.
- In the event of two teams having the same or similar coloured primary uniforms, the first named team on the draw (Team A) **must** wear their primary uniform and the second named team (Team B) **must** wear their alternate uniform. However, if the two teams agree, they may interchange the colours of the shirts. The Referees will have the final say as to whether there is a clash of uniforms.
