

Job Title: Security Guard, Waasigan Transmission Line Project

Location: Lat: 49°27'45"N Long: 91°47'16"W Ignace Temporary Worker Camp

Schedule: Night Shift 6:00 PM to 6:00 AM (12-hour shifts)

7 Days On / 7 Days Off Rotation (Room & Board Included)

REP Giwaydin Security Inc. is seeking reliable and professional Security Guards for the Waasigan Transmission Line Project. Guards will be responsible for overnight security of the camp site, personnel, and property in accordance with Valard security and safety protocols.

Key Duties

- Control and log overnight access (6:00 PM–6:00 AM)
- Manage gate security and vehicle staging
- Conduct regular camp and perimeter patrols
- Monitor and document vehicle and personnel movement
- Respond to alarms, incidents, and emergencies per the Project ERP
- Complete gate logs, incident reports, and shift summaries
- Support late-night escorts and prevent unauthorized access

Qualifications

- Valid Ontario Security Guard License
- Valid Class G Driver's License
- First Aid & CPR Certification
- Ability to complete Valard training requirements
- Strong observation, communication, and reporting skills
- Ability to work night shifts in a remote camp environment

Schedule & Compensation

- 7 days on / 7 days off rotation
- 12-hour night shifts (6:00 PM–6:00 AM)
- Room & board provided
- Competitive wages based on experience

Employment Equity & Local Hiring

REP Giwaydin Security Inc. strongly encourages applications from **Indigenous Peoples**, and from individuals living in **Ignace and surrounding communities**. Local and Indigenous applicants will be given priority consideration.
