

DEAR PRAYER PARTNER

"He established a testimony in Jacob and appointed a law in Israel, which He commanded our fathers to teach to their children, that the next generation might know them, the children yet unborn, and arise and tell them to their children, so that they should set their hope in God and not forget the works of God, but keep His commandments."

Psalm 78:5-7

PRAISE POINTS

- We praise the Lord for an amazing God, My Baby and I workshop in Zambia. The 17 participants experienced so many paradigm shifts and discoveries.
- "Thank you for the information we obtained at the workshop – it was a huge blessing! We're praying for God's grace to impart these awesome ideas and knowledge to others!"
- We praise the Lord for a very successful Entering the World of Children / Walking with Wounded Children training in Wortelgat near Stanford, with a group of young people who not only learnt about Walking with Wounded Children, but also benefitted themselves by better understanding their own woundedness.

PRAYER POINTS

Training

- Several trainings will be presented in two Asian countries, together with some associates. Please pray for open hearts and minds of participants, that they will see God's heart for children, be confident in applying the knowledge and skills they obtain from these trainings in their own communities, and bring the light and healing of God's Word to these communities. Please also pray for the presenters, for safety and endurance as they will travel extensive distances to do the trainings. Also pray for their health and protection against diseases.
- During the school holidays, many Holiday Bible Clubs will be presented by churches in Gqeberha. Even though we are not involved with them, it is encouraging to know there will be so many children being reached with the Gospel. We pray for the work of the Holy Spirit as children hear the Gospel, and that they will also share it within their families.
- The Centurion Children's Festival will be presented from 29 June – 3 July. Some of our staff are involved with this. Please pray that the children will come to know the Lord and grow in their relationship with Him.
- Please pray for children across the country, many of whom are left to entertain themselves during this time, to be safe.

- Our Zambia team is preparing to receive groups of volunteers from South Africa and the Czech Republic during July, who will take part in a building outreach, developing a drop-in centre in one of the communities where they work.
- Three staff members will have an outreach to Eastern Cape communities to connect with faith leaders, introduce the work of the Institute to them, and discuss possible partnerships and training opportunities.

Other matters

- Please pray for staff members who are battling with serious health issues, for the Lord's grace and healing for them.
- A fund application has been submitted to Mergon for three South African projects.
- We are still struggling to get our NPO registration done. Please pray for a speedy resolution to this matter.
