Building communities where children are welcome

# Aftercare Centre *Course*

**8 HALF-DAY SESSIONS OVER 4 OR 8 WEEKS**

Aftercare centre staff can make a lifelong impact on the children in their care. Participants in this course will develop various Bible-based skills relating to working with children in an aftercare centre setting. The course is presented as 8 half-day sessions over the course of 4 or 8 weeks.

## WHAT YOU WILL LEARN:

How to develop as a leader to set the example in your aftercare centre?

To establish values and act as a role model to demonstrate these values.

To demonstrate understanding of the value of relationships to create a better work environment.

To express your own emotional needs better to grow in your relationships.

To understand the value of relationships pertaining to entering the world of children.

To apply play, listening, stories, love languages and boundaries to build relationships with children.
