

Building communities where children are welcome

(Online) Relational *Children's or Family Ministry 2026*

REGISTRATIONS CLOSE 20 JAN 2026

Our RCM/RFM Course has helped many participants acquire the knowledge, insight and skills needed to become effective children's ministry workers. It is ideal for those who want to learn how to build relationships with children, lead them into a loving relationship with God and mentor them in spiritual growth.

We see the potential of this course to equip churches to reach their families – even online.
