BREAKING THE CYCLE: TRANSFORMING LIVES THROUGH THE BAYS SUCCESS PROGRAM

EVERY YOUNG PERSON DESERVES A SECOND CHANCE

Imagine a world where a young person's past mistakes don't define their future. Where involvement with child and youth systems becomes a turning point toward success, not a roadblock to opportunity. Where every youth has the financial support they need to pursue their dreams and break free from cycles that once seemed unbreakable.

The BAYS Success Program makes this vision possible.

For too many young people in our community, involvement with the juvenile justice and child welfare systems creates barriers that seem impossible to overcome. Educational opportunities slip away. Extracurricular activities become out of reach. Simple milestones like getting a driver's license feel unattainable. Without targeted financial support, these youth often find themselves trapped in cycles of limited opportunity. With your support we can help them realize their full potential and diminish the barriers of generational poverty that stand in their way.

As a non-profit organization, BAYS serves over 20,000 Florida youth annually that are impacted by the juvenile justice, child welfare, and behavioral systems. With your help we can change their trajectory.

HOW WE CREATE LASTING CHANGE

The BAYS Success Program (BSP) addresses barriers at their source by providing direct assistance that opens doors to opportunity and success. By tailoring financial support to each young person's unique goals and circumstances, we ensure resources are invested where they'll have the greatest impact:

Educational Investment

Covering tuition costs, school fees, and educational materials that ensure young people can pursue their academic goals without financial barriers holding them back.

Pathways to Independence

Providing support for driver's licenses, driving lessons, and related costs that give youth the independence they need to access jobs, education, and opportunities.

Extracurricular Opportunities

Funding participation in sports, arts, music, and other activities that build confidence, teach valuable life skills, and create positive peer connections.

Career Opportunity Access

Removing financial barriers to internships, job training programs, certification courses, and other pathways that lead to meaningful employment and career growth.

JOIN US IN REWRITING TOMORROW

Our intervention and family preservation programs address urgent needs, change behaviors, and keep families together, providing a safety net for youth in crisis. While core funding keeps us running, it rarely covers innovation or long-term impact. Private donations and strategic investments allow us to move beyond crisis response and build lasting pathways to success.

Every dollar you give turns setbacks into comebacks—fueling resilience, growth, and second chances. Your support transforms barriers into opportunities, opening doors to lasting success for youth and families. Join us in making change happen.

A LOOK BACK AT 2026

"The impact that BAYS has had on my life is nothing short of remarkable. I knew if I was offered a second chance I could work hard and succeed. BAYS helped me achieve that. From helping me prevent entry into the justice system, to equipping me with the tools I need. After I earned my high school diploma BAYS provided me with a scholarship that would help me kickstart my future."

Tyler Clayton

"The program helped my son see the value of his decision making. I like how the case manager met my son where he was at mentally to build a bond. I think it made the sessions more impactful."

BAYS Parent

"I really appreciate Georgia Franklin for helping me get pass something that could have went down the wrong path she helped me realized that there more out there and u don't want no one or both holding u back such and the program or jail I'm just thankful."

BAYS Youth

"Being part of the BAYS Board has given me a deeper appreciation for the incredible impact this organization has on youth and families. Sips & Supper for Success is more than a fundraising event, it's an opportunity to come together, celebrate the lives being changed, and invest in brighter futures for our community."
