

Don't Risk the Biggest Transaction of Your Life.

SecureMyOffer

Protect your sale with Home Seller Closing Insurance

Why It Matters

Selling your home is high stakes. If buyers default, you risk: declining property values, delays in realizing equity, reduced cash flow, additional costs, lengthy legal battles and delays in accessing the Buyers deposit

Multiple homes fail to close every day

The consequences of buyer default:

Cash Flow Crisis

Frozen Deposit

Financing Jeopardy

Legal Battle

How SecureMyOffer Works

1

Visit Our Website

Learn how SecureMyOffer protects your sale and equity.

2

Answer a Few Questions

Provide quick details about your property and offer to get a quote.

3

Close with Confidence

Move forward knowing your equity is safe, even if buyers walk away.

With SecureMyOffer, closing your home sale becomes simple, predictable, and worry-free.

The Benefits

*Benefits subject to conditions of your specific policy

Equity Advance

Emergency Access to your equity on closing day - even if the buyer backs out

Property Value

Covers your property value, giving you unmatched peace of mind

Expenses Covered

We handle legal defense, staging, relisting, mortgage payments, and taxes during the claim period.

Peace of Mind

If resale drops, we cover the gap. If it rises, you keep the profit.

Our Promise

- ✓ Works seamlessly with your realtor—we collaborate on relisting and staging.
- ✓ If your home resales for more, you get to keep the profit
- ✓ Prevent stress, delays, legal headaches, and unexpected losses.
