# THE BIOTIA-ID URINE TEST

## A Smarter Test

### THE BIOTIA-ID URINE TEST:

- Was created by infectious disease experts for urinary tract infection patient management
- Has significantly higher sensitivity and specificity than traditional urine culture
- Is the only advanced test of its kind approved across all 50 U.S. states for use on urine samples

## Who It Is For

### PATIENTS WHO MEET ONE OF THESE CRITERIA:

- Have been suffering from recurrent, persistent, or chronic UTIs (2+ UTIs in 6 months, or 3+ in 12 months)
- Have an underlying condition that increases the risk of UTI complications, such as diabetes, cancer, kidney disease, or other condition
- Recently tested negative but still have symptoms of UTI

**ASK YOUR  
PROVIDER ABOUT  
THE BIOTIA-ID URINE  
TEST AT YOUR NEXT VISIT.**

	Urine Culture	BIOTIA-ID Urine Test
Sensitivity	50-70%	97%
Specificity	85-99%	99%
Comprehensive results from one test	X	✓
Identifies uncommon UTI pathogens	X	✓
Guides more informed treatment	X	✓

## How It Helps

- Get tested for over 40+ pathogens known to cause UTIs, including ones often missed by urine culture
- Guides your clinician with personalized recommendations to get you on the right treatment to feel better
- Find peace of mind knowing you are receiving the most cutting-edge test available for UTI

## How It Works

1. Ask your provider about our test when discussing your current UTI symptoms.
2. If your provider determines that this test is right for you, they will ask you to collect a simple urine sample. If you have a telehealth appointment, they may order you an at-home collection kit.
3. Results will be reported within 3 business days. Based on the results, your provider will prescribe the appropriate treatment.

**NOW  
AVAILABLE

COLLECTION!**

# Trusted by Patients

---

"After multiple tests and treatments that didn't help my UTI symptoms, BIOTIA-ID finally uncovered the real cause of my infection."

- Michele, CA

"Conventional tests failed to detect the true cause of my recurring UTI. BIOTIA-ID provided the clarity my doctor needed to treat it effectively. The BIOTIA-ID Urine Test really truly helped me immensely and I am ever grateful. I'd had symptoms for 11 months before it!"

- Liora, NY

**Biotia** is a New York City-based health-tech company founded at Cornell University. Our mission is to fight infectious diseases using advanced technology.

We are committed to ensuring accurate and affordable diagnosis and will make our best effort to accommodate patients both with and without insurance. Reach out to **customersupport@biotia.io** for all billing inquiries.
