

## **Explore Rewarding Partnership Opportunities with Giving Back Outdoors**

At Giving Back Outdoors, we are dedicated to creating memorable experiences for veterans, first responders, youth and individuals with mobility issues through a variety of outdoor activities, including hunting, fishing, hiking, camping, sports events and more.

To make these experiences possible, we are actively seeking support from individuals and corporate entities through our sponsorship program. Our partnership opportunities offer limitless ways for you or your company to make a significant impact on the lives of those we serve.

### **Individual Sponsorship**

By sponsoring an individual veteran, first responder, youth or individual with mobility issues, you can provide them with the chance to participate in their chosen activity and create cherished memories that will last a lifetime.

In return for your generous support, the sponsored individual will express their gratitude by staying connected through personalized thank-you letters. These letters will not only provide insight into the positive impact of the sponsored opportunity, but they will also serve as a heartfelt reminder of the difference you've made in their life.

To show our appreciation, we will provide sponsors with a thoughtful piece of memorabilia, such as a professionally framed picture, commemorating the sponsored activity. Additionally, your contribution to Giving Back Outdoors qualifies as a charitable tax donation, enabling you to gain valuable tax benefits.

### **Event Sponsorship**

In addition to individual sponsorship, we have exclusive opportunities for corporate entities to sponsor whole events organized by Giving Back Outdoors. By becoming a corporate sponsor, your company can make an even greater impact, supporting multiple participants and contributing to the success of our inspiring events. We offer a diverse array of events, such as elk camp, Iowa muzzleloader hunt, fishing in Clark, South Dakota, salmon fishing in Port Washington, walleye fishing in Green Bay or Lake Erie, and so much more.

As a valued sponsor, your name or company will be featured on our Giving Back Outdoors donor list, acknowledging your commitment to making a difference in the lives of our participants.

For more information about our sponsorship program and how you can get involved, email [givingbackoutdoors@gmail.com](mailto:givingbackoutdoors@gmail.com) or contact Jeremy at (641) 895-7905. If this opportunity was presented to you by one of our representatives, feel free to reach out to them directly.
