"SURE-BET"

ADVENTURE-PROOF

All-Natural Outfitters

Sure-Bet Tick-Repelling products are the safest, easiest and most affordable way to protect your family from ticks!

Our tick-repelling bands use **natural, organic Cedarwood oils** to repel not only ticks, but mosquitos, spiders and potentially bed bugs and lice. That same protection is now available for pets in Collar-Coils, which easily fit around their collar to keep them tick-free. Cedarwood oil is **natural, non-toxic and pet-safe!**

Over a **million people were diagnosed with Lyme Disease and other tick-borne diseases in 2023**. According to the **Global Lyme Alliance**, tick borne diseases can cause many unpleasant symptoms ranging from fever, fatigue, rash and muscle & joint pain. The worst tick borne illnesses include a **viral brain infection** that causes **seizures, aphasia, muscle weakness, dementia and even death**.

Infected ticks can be found across the United States, and anyone outdoors in a grassy, wooded or even a garden area is a potential target. Tick-borne illnesses are

- **Natural, Organic ingredients**, contains no DEET, **100% Kid & Pet Safe**
