

\$2 MILLION MATCHING FUND

DOUBLE YOUR IMPACT WITH EVERY DONATION

ADDED IMPACT FOR YOUR YEAR END CONTRIBUTION!

Tim and Kristy Turner have challenged the community to join them in supporting the project by offering a **\$2 million matching fund** tied to donations made in the final quarter of 2025. If fully met, the challenge will generate \$4 million by year's end, dedicated to paying down existing debt, developing future amenities, and ensuring the center's long-term operations.

Vivian Edwards - Chelan Public Library

First & Third Wednesdays

"The community really helped us out," said Edwards

Each free session includes stories, rhymes, music, and interactive play designed to build early literacy skills and a love of reading.

THE HEART OF THE SEASON IS ALIVE IN THE CENTER'S STORIES

Brooke Isaak
President
Seven Acres Foundation

As the holidays approach and our valley settles into its winter rhythm, I've been reflecting on what this season always brings: gratitude, generosity, and the reminder that we are better when we're connected. Every day inside The Community Center, I see those qualities on full display.

This year brought extraordinary moments—like the transformational **\$4 million gift** that will complete the gymnasium and performing arts center and launch a **\$2 million community match**. That generosity arrived at exactly the right time, lifting our spirits and renewing our momentum for the year ahead.

But the heart of this place also shows up in quieter, everyday scenes that feel especially meaningful during the holidays. **Storytime** found a temporary home here while the library renovates, and the sound of children laughing and singing has brought a bright kind of joy to our halls.

Our Tuesday **knitting group** continues to gather, stitching friendship and belonging into every conversation. They remind me that community isn't something you schedule; it's something you nurture.

Neighbors like **Clark and Joan Donnell** also continue to inspire us through their generosity and belief in what the Center provides for families of every age.

As the year draws to a close, I'm reminded that we built this Center to **bring people together**—but it's you who give it life. Your involvement, your kindness, and your support make all the difference.

To read the full stories—and learn how your year-end gift can double through the matching fund—please visit chelancommunity.org/stories

Warmest holiday wishes,
Brooke

Find The Giving Option That Works Best for You!

Whatever your plan, however you prefer to give, we have an option that will work for you.

Your support brings people together, strengthens local connections, and builds a lasting home for community life in the Lake Chelan Valley.

Many Ways To Give!

Online Giving

Make a secure donation anytime on our donation platform page at chelancommunity.org to support the Lake Chelan Community Center.

By Mail

Send your check payable to Seven Acres Foundation, P.O. Box 1732, Chelan, WA 98816.

Pledge Form

Plan your giving on a schedule that fits your goals by completing a pledge form for your future contributions.

Donor Advised Funds

Recommend a gift through your DAF and help strengthen the heart of the Chelan Valley.

Bank Transfer

Easily support the Community Center by making an ACH transfer directly from your bank account—a convenient and secure way to give without writing a check.

Monthly Giving

Set up an automatic monthly gift that fits your budget and provides *ongoing support*.

Legacy or Planned Giving

Include the Community Center in your will, trust, or retirement plan to keep your generosity alive for generations.

Matching Gifts

Double your impact through your employer's matching program or the \$2 million year-end matching fund available through December 31.

Each gift helps our community grow and thrive – today and for years to come.
