4. Waiting Lists

We maintain waiting lists for certain assessments.
You will be advised of your expected waiting time once you are added to the list.
Waiting times are estimates and may vary depending on clinical capacity.

5. Prescriptions and Medication

5.1 Prescribers

All prescriptions are provided by our registered GPs.

5.2 Prescription Process

- Repeat prescriptions must be requested via our website*:* www.camadhd.co.uk/prescriptions
- Standard fees apply:
    - Non-Controlled Drugs – £30

    - Controlled Drugs (Sent as a physical FP10) – £50
    - Controlled Drugs (Sent via ITH as one month) - £40
- Requests are processed as promptly as possible, but please allow sufficient notice to avoid running out of medication.

5.3 Shared Care

We are happy to support shared care arrangements with your NHS GP where appropriate; however, acceptance of shared care is entirely at your GP's discretion.

5.4 Lost or Expired Medication

If medication is lost or runs out early, a new private prescription must be requested through the same process above.

5.5 Controlled Drugs

All controlled medication is prescribed and managed in accordance with UK law and GMC prescribing guidance.

5.6 Transfer of Care

We welcome new patients who are already diagnosed by another provider (UK or abroad). We prefer to review your documentation before your first appointment so we can ensure that it is adequate and book the most appropriate type of appointment based on this information. For this service, there is an administration charge of £95.

6. Communication and Follow-Up

- We aim to respond to all emails and calls within 24 hours (Monday–Friday), excluding weekends and bank holidays.
- Clinical questions or medication-related advice outside appointments may be billed as an email consultation (£70).
- Reports and results are shared securely via our Semble.io system.

7. Confidentiality and Data Protection

We comply fully with UK GDPR and the Data Protection Act 2018.
Patient data is stored securely and accessed only by authorised clinicians and administrative staff.

- Data is retained only as long as necessary for the purpose it was collected.
- You may request the deletion of your data at any time, where legally permissible.
- Reports and shared care letters are shared with your GP only with your consent.

- Reports for schools or third parties are shared via the patient.

8. Clinical Boundaries and Conduct

- We ask that all patients and families treat staff with respect.
- We reserve the right to refuse or discontinue treatment where there is inappropriate behaviour, non-compliance, or risk to staff or service quality. Such decisions are reviewed by our multi-disciplinary team (MDT).
- Please note: A diagnosis or medication prescription is not guaranteed. All clinical decisions are based on professional judgment and assessment outcomes.

9. Complaints Procedure

If you have concerns or wish to make a complaint, please contact:
admin@camadhd.co.uk

We take all concerns seriously and aim to resolve them swiftly.
If unresolved, you may escalate your complaint to the Care Quality Commission (CQC) or the relevant professional body.

10. Consent and Agreement

By ticking the box when booking,, you confirm that:

- You have read and understood these Terms and Conditions.
- You agree to the clinic's policies on fees, prescriptions, cancellations, and data handling.
- You understand that fees may change, but you will be informed of any change that affects you directly.
- You consent to the processing of your personal data as described above.
- You consent to relevant clinical information being shared with your GP once medication has been initiated, where appropriate.
