Ripple effect

We'll never say no to a Heathfield & Co launch, and the lighting brand's new Ripple table lamp capsule is predictably beautiful: three elegant pieces that embrace sculpted silhouettes. They're so decorative that we'd suggest placing them atop a plinth to double up as a design piece and table lamp in one. **Table lamps (from left):** Sylva, £460; Aika, £425; Lura, £445, Heathfield & Co

Grown-up gardening

We love Create Academy's courses, covering everything from interior design to floristry - and with spring blooming, our minds turn to the outdoors. Enter gardening hotshot Arthur Parkinson's new online course on low-maintenance, planet-friendly, pot-based planting, focusing on perennials and planting schemes that come back year after year. The collectable furniture capsule to buy into

Mimi Shodeinde's latest furniture capsule introduces a series of collectable design pieces alongside signature works, reimagined in a refreshed palette. Take the Iman chaise, with a sinuous Nubuck seat and curved birch base, all part of Mimi's ongoing exploration of form. **Iman chaise, price on request, Miminat** ➤
