HOMEOWNERSHIP

changes *lives*
writes *a new story*
empowers *families*
breaks *the cycle of poverty*

FIRST STORY provides affordable homeownership opportunities to under-resourced families across Idaho, Oregon and Washington.

OUR STORY

First Story was founded in 1998 as a grassroots way for team members at Hayden Homes to support community members in need.

Now, First Story is an impactful, independent nonprofit offering zero-percent, zero-down, 30-year mortgages on new and remodeled Hayden Homes that provide affordable homeownership opportunities to families throughout the Northwest.

Each First Story home is located within a Hayden Homes community and comes fully move-in ready, complete with appliances, a washer and dryer, and finished landscaping.

Together we are breaking the cycle of poverty—all without a single dollar of government subsidy.
