UPCOMING...

NEW

Women's Bible Study

Join us we start our new book for Women's Bible Study! We meet on Saturday mornings via Zoom at 7am. No pressure, no guilt, just reading through a lesson with some wonderful women. This study will start on March 21st.

About the Study:

We live in a broken, sad, scary place. We don't need to watch the natural disasters and political unrest in the news to know what our bodies already know. Our bodies get sick. Our minds are fragile. The mortality rate for humans is astonishingly high. There's plenty to worry about, and the world is full of faulty solutions for our anxieties.

But true peace comes when we learn to hold God's Word up to what worries us. There, we learn we can't fix ourselves; we can't protect ourselves. Instead, the Bible tells us we can rest, knowing that Jesus walked into the broken, sad, scary places to rescue us and love us. He is the One who fixes. His is the only protection that matters.

Join Scarlet Hiltibidal in this study to learn how we can practically take hold of the perfect peace that is only available through God as we dive deeply into His Word, embrace the practice of prayer, and live authentically in the support of our communities of faith.

40 DAY FEAST

Many Bible believers aren't Bible readers, while others devour God's Word and are hungry for more. Whether you've read your Bible multiple times, only tasted bits and pieces, or are ready to finally whet your appetite for the first time ever, these forty daily devotionals will help you to taste and see how good and applicable God's Word is to your daily life.

The 40-Day Feast invites you to the table to

- learn how to ingest and digest whole passages for yourself
- discover the transforming power bound up in your Bible
- apply its truths to your daily life
- awaken a deep hunger for more of God and less of the things that don't satisfy

Now is the time to seek and find what God has to say and how we are to live as a result. Pull up a chair! Welcome to the feast!
