Property & Building: Jeff has talked to the elevator guy, and Garrett has talked to Tim and there are things getting close on this estimate. Mowing bill is not paid quite yet, will get the hours. Tim is working on the pew book holders. Sanctuary lighting: Some of the lights are out, Cole will help troubleshoot the outage.

Bathroom Door Lock: The women's bathroom needs a new door lock, and the sink needs to be fixed.

Nikki will ask Roger to look at the sink. Garrett will fix the lock. There is a plexi-glass holder that she puts her music on at the organ, and it's so scratched up, so Matt is going to try and fix that for her.
