## MORE THAN \$126,000 RAISED AT THE 21ST EDITION OF THE VAUDREUIL-SOULANGES WINE SHOW: A RECORD-BREAKING YEAR

**Vaudreuil-Dorion, May 14, 2026** — The Fondation de l'Hôpital de Vaudreuil-Soulanges is proud to announce that the 21st edition of the Vaudreuil-Soulanges Wine Show, held on May 13 at the Pavillon sur le Lac of Château Vaudreuil, raised a record-breaking **\$126,053.09** in support of healthcare services in the region. This marks the highest amount ever raised in the event's history.

Bringing together business leaders, partners, wine enthusiasts, and community members in an elegant and welcoming atmosphere, this year's edition was a tremendous success thanks to the generosity of attendees, exhibitors, volunteers, and valued event partners.

The organizing committee would like to recognize the outstanding involvement of Honorary Chair Raymond Allard, of Habitations Raymond Allard and Groupe F A A Construction, whose dedication to the Foundation and the community played a key role in the success of this historic edition.

Special recognition is also extended to the event's five Millésime sponsors — Château Vaudreuil, Altitude Stratégies, Martin Couture Inc., Desjardins Vaudreuil-Soulanges, and the City of Vaudreuil-Dorion — whose major support helped elevate the event and maximize its impact throughout the community.

"This record-setting edition reflects the incredible generosity and engagement of our community, as well as the strong connection people have with the Fondation de l'Hôpital de Vaudreuil-Soulanges. We are deeply grateful to everyone who contributed, directly or indirectly, to this historic success," said Jean St-Pierre, President of the Fondation de l'Hôpital de Vaudreuil-Soulanges.

The Foundation would also like to warmly thank all members of the organizing committee, volunteers, partners, producers, agencies, restaurateurs, and attendees who helped make this benefit evening, now a must-attend annual event in Vaudreuil-Soulanges, such a success.

The Fondation de l'Hôpital de Vaudreuil-Soulanges continues its mission of supporting healthcare services for the Vaudreuil-Soulanges population through the funding of projects, equipment, and initiatives that have a direct impact on the community.
