

Treasure Village Montessori
School Advisory Committee Meeting Agenda
January 13, 2026

- I. Discussion of Cell Phone policy and practice during school-related transportation.

The Committee was informed that the Board has approved the Committee's proposed written policies on the use of internet connected devices during school related travel.

- II. Discussion of any other proposed additions or revisions to school policies.

The Committee discussed other potential initiatives around the school and encouraged the school to reach out to parents more about Montessori practices, both as a way to inform parents about how their children are learning and as a way to build community.
