

NEXT STEPS

Thank you for your interest in working with our team at Annabelle Landscapes!

We take pride in providing expert guidance and precision when we start your landscape or hardscape project.

Our Process:

(1) Phone Call - Free

After you submit the form on our website, we offer a 30-min free phone call to discuss your project needs

(2) On-Site Evaluation - \$100 Consultation Fee

If you would like to continue the process with us, we will come to your property for an on-site evaluation. This includes:

- a. Our Owner Marco evaluating your property in-person
- b. Your property or designated areas will be measured
- c. Discussion of initial design ideas, budget, and expertise offered

(3) Designs (optional) - prices range from \$750-\$1,500*

If you would like us to create a 2D or 3D design of your vision, we will include this step when we send your custom proposal.

*Once you pay for the design, you will own it.

We look forward in continuing the process with you!
