

The Chinook

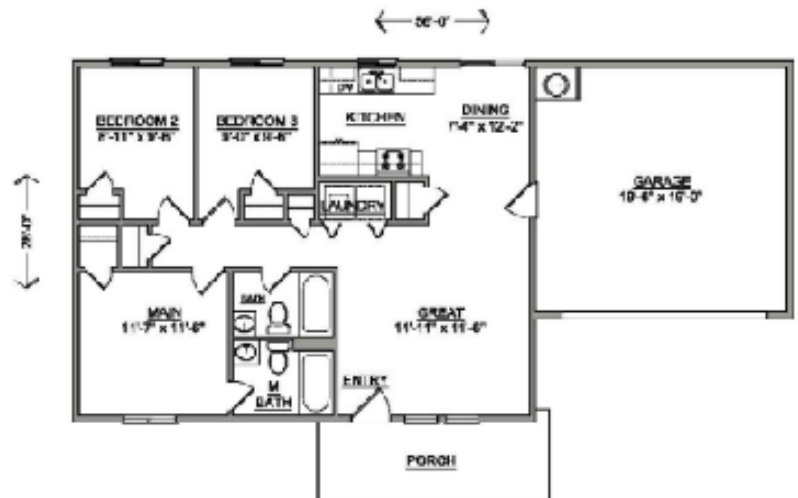

3 bedrooms, 2 baths, 1,007 sq ft

The Chinook has long been a favorite for those needing the most out of a modestly-sized home. High vaulted ceilings add volume to the already expansive living room, and the functional kitchen, which offers ample counter space and cupboard storage, overlooks the dining room. The generous main suite boasts its own private bathroom and a substantial closet. Sharing the second bathroom are the two other sizable bedrooms.
