

Since 2019, The Black Chamber of Commerce of New Mexico has played a key role in bringing opportunities to New Mexico. The organization has invested time, energy, and resources to bring about strategic, long-term progress that benefits the entire community. And the result? The Chamber has become synonymous with growth, cultivating an environment that attracts regional, national, and cultivating international business opportunities for the underserved, under-engaged, and under-resourced.

The Chamber is organized to achieve the objectives of attracting, retaining, and generating jobs, businesses, and economic development in New Mexico. If you are ready to be influential, become a member of the Black Chamber of Commerce of New Mexico and help lead the way to a more prosperous future.

Members of this Circle underwrite the economic development, education, and government affair initiatives of the Black Chamber of Commerce of New Mexico. Be one of the hundreds of members who invest in the Chamber.
