Booking Process

Here's an overview of our basic process. Every production is different so the exact steps may vary depending on the scope and needs of your event.

Step 1 | Client sends us desired look, palette, flower quantities (feel free to send inspo photos!) and we create a proposal that includes a mood board + estimate. We allow (2) revisions to the proposal.

Step 2 | If client would like to move forward, we retain a 20% deposit (if event is less than 14 days away, see below) to confirm the event.

Step 3 | For larger events (\$5k+) we create a more detailed mood board to share with clients once deposit is made.

Payment Terms

We require a 20% deposit to secure your event date on our calendar. The remaining balance is due in full 14 days prior to your event.

If the event is less than 14 days away, we require 100% payment in full to confirm + move forward with the event.

Feel free to email us with any other questions.

Thank You
