

FLATBED DUMP BODY

The Eby Flatbed Dump Body is designed to move, lift, and dump heavy loads faster and more efficiently. Its all-aluminum construction delivers the strength of steel without the weight, increasing payload capacity and fuel efficiency. From construction sites to farm fields and landscape jobs, it's the go-anywhere, do-everything body that takes on your toughest workday without rust, corrosion, or downtime.

Standard Sizes: 9'3" L x 97" W for 60" CA DRW cab & chassis, 11'3" L x 97" W for 84" CA DRW cab & chassis

- Weight savings up to 45% + increased legal payloads vs steel
- Corrosion resistance for longer life 
- 100% Recyclable USA Aluminum
- Designed by the leaders in the Aluminum Trailer and Truck Body business since 1938
