

'38 SPECIAL

BUMPER HITCH LIVESTOCK TRAILER

The '38 Special delivers a fresh, modern take on bumper hitch livestock trailers while honoring Eby's 1938 heritage. It combines classic craftsmanship with a clean design and hardworking features that match the demands of the people who rely on it. Purpose-built from aluminum, the '38 Special is engineered for safe livestock handling, confident towing, and everyday dependability in a compact footprint.

- **BOLD NEW DESIGN** - modern chiseled styling with ergonomic features and no visible fasteners
- **SMOOTH INTERIOR** - No interior fender wells plus smooth slat walls provide a safer environment for transporting and easy clean out.
- **STRONG FOUNDATION** - Built with Eby's proprietary aluminum extrusions and proven structural design for long-lasting strength and durability.
