BUMPER PULL LOW-PROFILE

EXCEPTIONALLY STRONG AND LIGHTWEIGHT WITH A LOW PROFILE

Eby Low-Profile trailers are designed to haul tall equipment with a lower deck height for easier loading and improved clearance. Constructed from lightweight aluminum, they deliver exceptional payload capacity, long-lasting durability, and low maintenance. Customize your trailer with popular options including a lockable toolbox, spare tire, winch, multiple ramp configurations, and more.

25K GOOSENECK

DUAL-WHEEL GOOSENECK THAT'S 2,000 POUNDS LIGHTER THAN STEEL

Our all-aluminum 25K Gooseneck trailer is approximately 2,000 lbs—a full ton—lighter than comparably spec'd steel trailers. Built with fuel-efficient, low maintenance aluminum and an impressive design that features 19" main beams, heavy-duty 50/50 ramps, Hutch spring suspension, and more. Outfit with your choice of flooring, load-securement and a variety of additional options.

GN25K

STANDARD SIZES

Deck Lengths:	20' + 5', 25' + 5', 30' + 5', 35' + 5'
Deck Width:	97-3/4" (102" overall)
Beaver Tail:	60"
Ramps:	60"L x 48"W

GN16K shown with optional equipment

16K GOOSENECK

LIGHTWEIGHT SINGLE-WHEEL GOOSENECK

The 16K Gooseneck is a lightweight design that delivers a heavy-duty payload capacity. Engineered for fuel-efficiency and low-maintenance, the GN16K stands head and shoulders above typical steel trailers, allowing you to haul more and save more. Complete the package with an impressive array of options—spare tire, winches, wheel and axle choices and more.

GN16K

STANDARD SIZES

Deck Lengths:	24'6"
Deck Width:	97-¾" (102" overall)
Beaver Tail:	51"
Ramps:	46.75"W x 39.5"L (Fold-Flat Ramps)

CB14K shown with optional equipment

14K / 16K DUMP

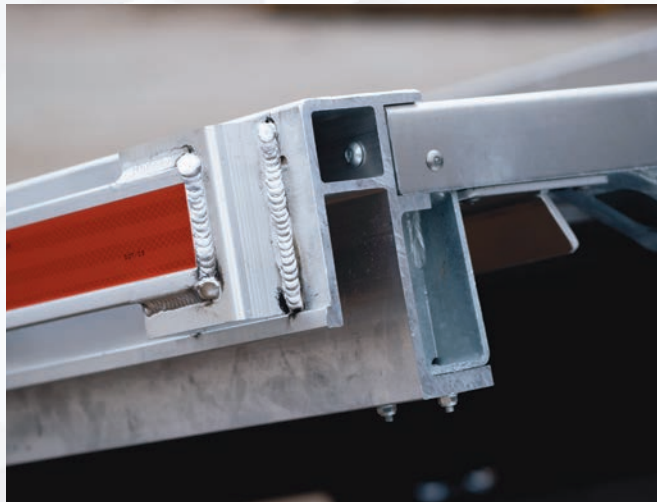

VERSATILE WITH GREATER PAYLOAD THAN STEEL

The CB14K is a heavy-duty, yet lightweight, dump trailer ideal for handling bulk material and equipment. Constructed of fuel-efficient, low-maintenance aluminum, the CB14K dump trailer is engineered to perform and built to last. Make it your own by equipping your trailer with a wide variety of popular options like a mesh pull tarp, spare wheel and tire, or wireless remote.

TILT

INNOVATIVE, HEAVY-DUTY, LIGHTWEIGHT

Ideal for hauling a wide variety of equipment. Over-sized extrusions and meticulously machine-shaped heavy main frame rails with Huck fasteners convey Eby styling all the way. The tilt deck features a hydraulic dampening system that allows the bed to be locked up or down and provides smooth loading and unloading. Make it your own by equipping your trailer with a wide variety of popular options: lockable toolbox, spare tire, electric winch and more!
