CEO Report - Mark Koch

What an extraordinary past three months it has been for Kyeema—filled with achievement, celebration, and genuine community spirit. From the outstanding success of the Tri State Games to our meaningful involvement in the International Day of People with Disability, and the exceptional outcomes from our recent quality audits and participant surveys, each milestone showcases the dedication, professionalism, and heart of our remarkable staff. These results are an absolute credit to the people who show up every day with care and purpose. I also want to extend my sincere thanks to our families, carers, staff, volunteers, and participants—your support, energy, and trust make everything we do possible. Building on this momentum, we'll be launching our new strategic plan early in the new year to sharpen our focus on participant-centred outcomes, engaged teams, community voice, and future-proofing our services, ensuring we deliver even more impact across the region. As we look ahead, I wish you all a joyful and safe New Year, and I'm excited to work with you to make 2026 even better—together.
