

Junior Java Developer 236291

I'm a software engineering graduate with a focus on system design, passionate about backend and mobile development with a keen interest in design. I value precision, productivity, and continuous learning. With a creative and goal-oriented mindset, I'm a team player ready to take on new challenges.

PROFESSIONAL BACKGROUND

09/2022 - Present

IT Services and IT Consulting | Junior Java Developer

- ❖ Java, Eclipse Equinox (OSGi), IBM ELM
- ❖ I've done development and maintenance tasks on a significantly large on-premise product that is widely used by prestigious companies. I was also responsible for solving issues found by our customers.

02/2022 - 09/2022

IT Services and IT Consulting | QA Engineer Intern

- ❖ JS, Selenium, Cucumber, Agile, Test automation
- ❖ I ensured quality and test coverage for a cloud-based video streaming product and virtual event hosting service. I created test reports, designed test cases, manually tested functions, and developed/maintained automated tests while also managing bug tickets and release test plans.

09/2021 – 02/2022

IT Services and IT Consulting | SAP developer

- ❖ SAP, ABAP, SQL
- ❖ I learned the basics of SAP and ABAP programming from experienced developers and was able to apply my knowledge by working on small projects.
- ❖ Photo sharing social media app with Spring backend and Kotlin-based native Android frontend
 - Java, Spring, JWT, SQL, Microservices, Docker, Kubernetes, Kafka, Load testing, IBM Cloud
 - I designed and developed a secure and scalable microservice-based REST API for mobile clients that handled tens of thousands of users concurrently during load testing. I also completed various Java and Spring-based projects independently and in groups while at university and personally.

COMPETENCIES

- | | |
|-----------------|--------------|
| ❖ Java | ❖ Docker |
| ❖ Spring | ❖ Kubernetes |
| ❖ JWT | ❖ Kafka |
| ❖ SQL | ❖ SAP |
| ❖ Microservices | ❖ ABAP |

EDUCATION

2018 – 2023

Budapest University of Technology and Economics

Computer Engineering BSc.

Language knowledge: **English** (Intermediate level)

Hungarian (Native)
