

West Holmes Local Schools Band Transportation Policy

1. Adult supervision on buses must be maintained at all times, before and after the event, by school board appointed personnel.
2. It is recommended by the district that all participants leave and also return to the school with their band/extracurricular group.
3. There are, however, some exceptions at the discretion of the directors or athletic director/principal. The parents/guardians of the participant may request other arrangements, if all parties are in agreement and notification is given at least twenty-four (24) hours before the event to the director.
4. The director(s) must physically see the student arrive or depart with their parent(s) or legal guardian(s) and the parent(s) legal guardian(s) must sign the student out.
