Your Voice Matters!

Dear TNAACS Families,

Thank you to everyone who joined the Parent Forum with the principal. We truly appreciate you taking the time to participate, share your thoughts, and partner with us. Your engagement is important, and so is your voice. As a Title I school, we want our Parent and Family Engagement Policy to reflect the needs, experiences, and priorities of our families. Your feedback helps us determine how we can better communicate, provide resources, support student achievement, and create meaningful opportunities for families to be involved.

Please take a few minutes to complete our 2026–2027 Parent & Family Engagement Survey:

 **SURVEY LINK HERE**

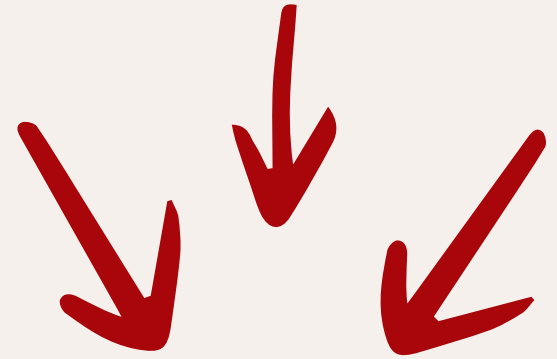

This survey will be shared multiple times throughout the school year so that families have ongoing opportunities to provide feedback and help shape our work. The survey will also remain available on the TNAACS website throughout the year, so you can share your feedback at any time.

Thank you for being an important part of the TNAACS community. Your voice helps us grow stronger together!

Emergency Contact Form

To ensure your child's safety and well-being it is critical that we have up-to-date emergency contact information on file. If you haven't done so already, please take a few moments to complete the Emergency Contact Form below for each child you have attending The New American Academy Charter School. This form must be submitted at the beginning of each year as it provides us with vital information in case of an emergency.
