

LEADERSHIP RETREAT

# Leading the Change: Foresight for a Shifting World

An exclusive retreat for CEOs, founders, and business heads seeking clarity, strategic direction, and the inner steadiness to lead through complexity.

Mallorca, Spain. May 20 – May 24, 2026

# Why Now?

The pace of change has never been faster. Markets shift overnight, trust is harder to earn, and leaders face pressure to make critical decisions without a clear playbook.

**Imperium Mallorca** is designed to give you the frameworks, presence, and resilience to not just survive but thrive in this environment.

## This retreat addresses the realities senior leaders face today:

Geopolitical shifts  
reshaping markets

Economic  
turbulence creating  
uncertainty

AI and Technology  
accelerating  
disruption

The weight of  
decisions that define  
organizations

## **Frameworks You Can Use Immediately**

Tools that equip you to clarify assumptions, navigate complexity, and make sharper decisions.

## **Intimate, High-Quality Environment**

20–25 leaders—enough diversity for perspective, small enough for depth and trust.

## **Time to Think, Not Just Attend**

No conference-style talks or staged presentations. Every session involves active conversation, shared perspective, and real engagement.

## **Clarity, Not More Information**

Imperium strips away noise and focuses on thinking quality—the opposite of a content-heavy conference.

## **CEOs in the Room—Only CEOs**

Every conversation is with someone who carries the same level of responsibility and pressure.

### This size ensures:

- Meaningful exchanges
- Personalized attention from faculty
- A room where every voice matters
- Focus, high quality, and freedom from noise
