

2024

HERITAGE

CHARDONNAY

RUSSIAN RIVER VALLEY

WINEMAKER NOTES

Light straw in color with brilliant clarity, this Chardonnay opens with intriguing flinty minerality and delicate toasted notes. On the palate, crisp apple flavors mingle with refreshing citrus, including bright lemon zest that awakens the senses. A limestone-driven minerality anchors the mid-palate, while subtle richness emerges with hints of vanilla adding depth and complexity. The lingering finish reveals a touch of toasty oak, leaving a lasting impression of elegance and balance.

VINTAGE NOTES

The 2024 vintage in Sonoma County is being hailed as one of the finest in decades. A cool spring gave way to warm summer days, while mild daytime temperatures and cool nights during harvest allowed grapes to maintain excellent acidity and achieve outstanding quality. Ample winter rainfall ensured healthy vines, and the steady, unhurried pace of ripening produced wines of remarkable purity, concentration, and balance.

TECHNICAL NOTES
