

Corporate Microsoft 365 Identity Management Training Course

Drive Team Excellence, Enhance Security, And Streamline Identity Management In Microsoft 365 Environments.

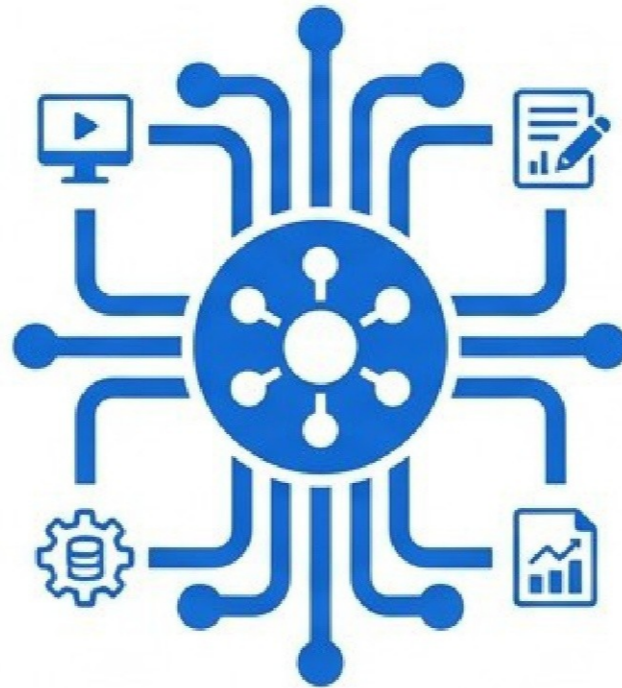

The Shift To Centralized Security And Scale

**Non-Centralized
Administration &
Complexity**

**Edstellar Unified
Training Solution**

**Secure, Compliant,
And Adaptable
Future-Ready Teams**

Essential Parameters For Enterprise Deployment

16 - 24 Hours
Duration

Instructor-Led
Group Training

Virtual, On-Site,
Or Off-Site
Delivery

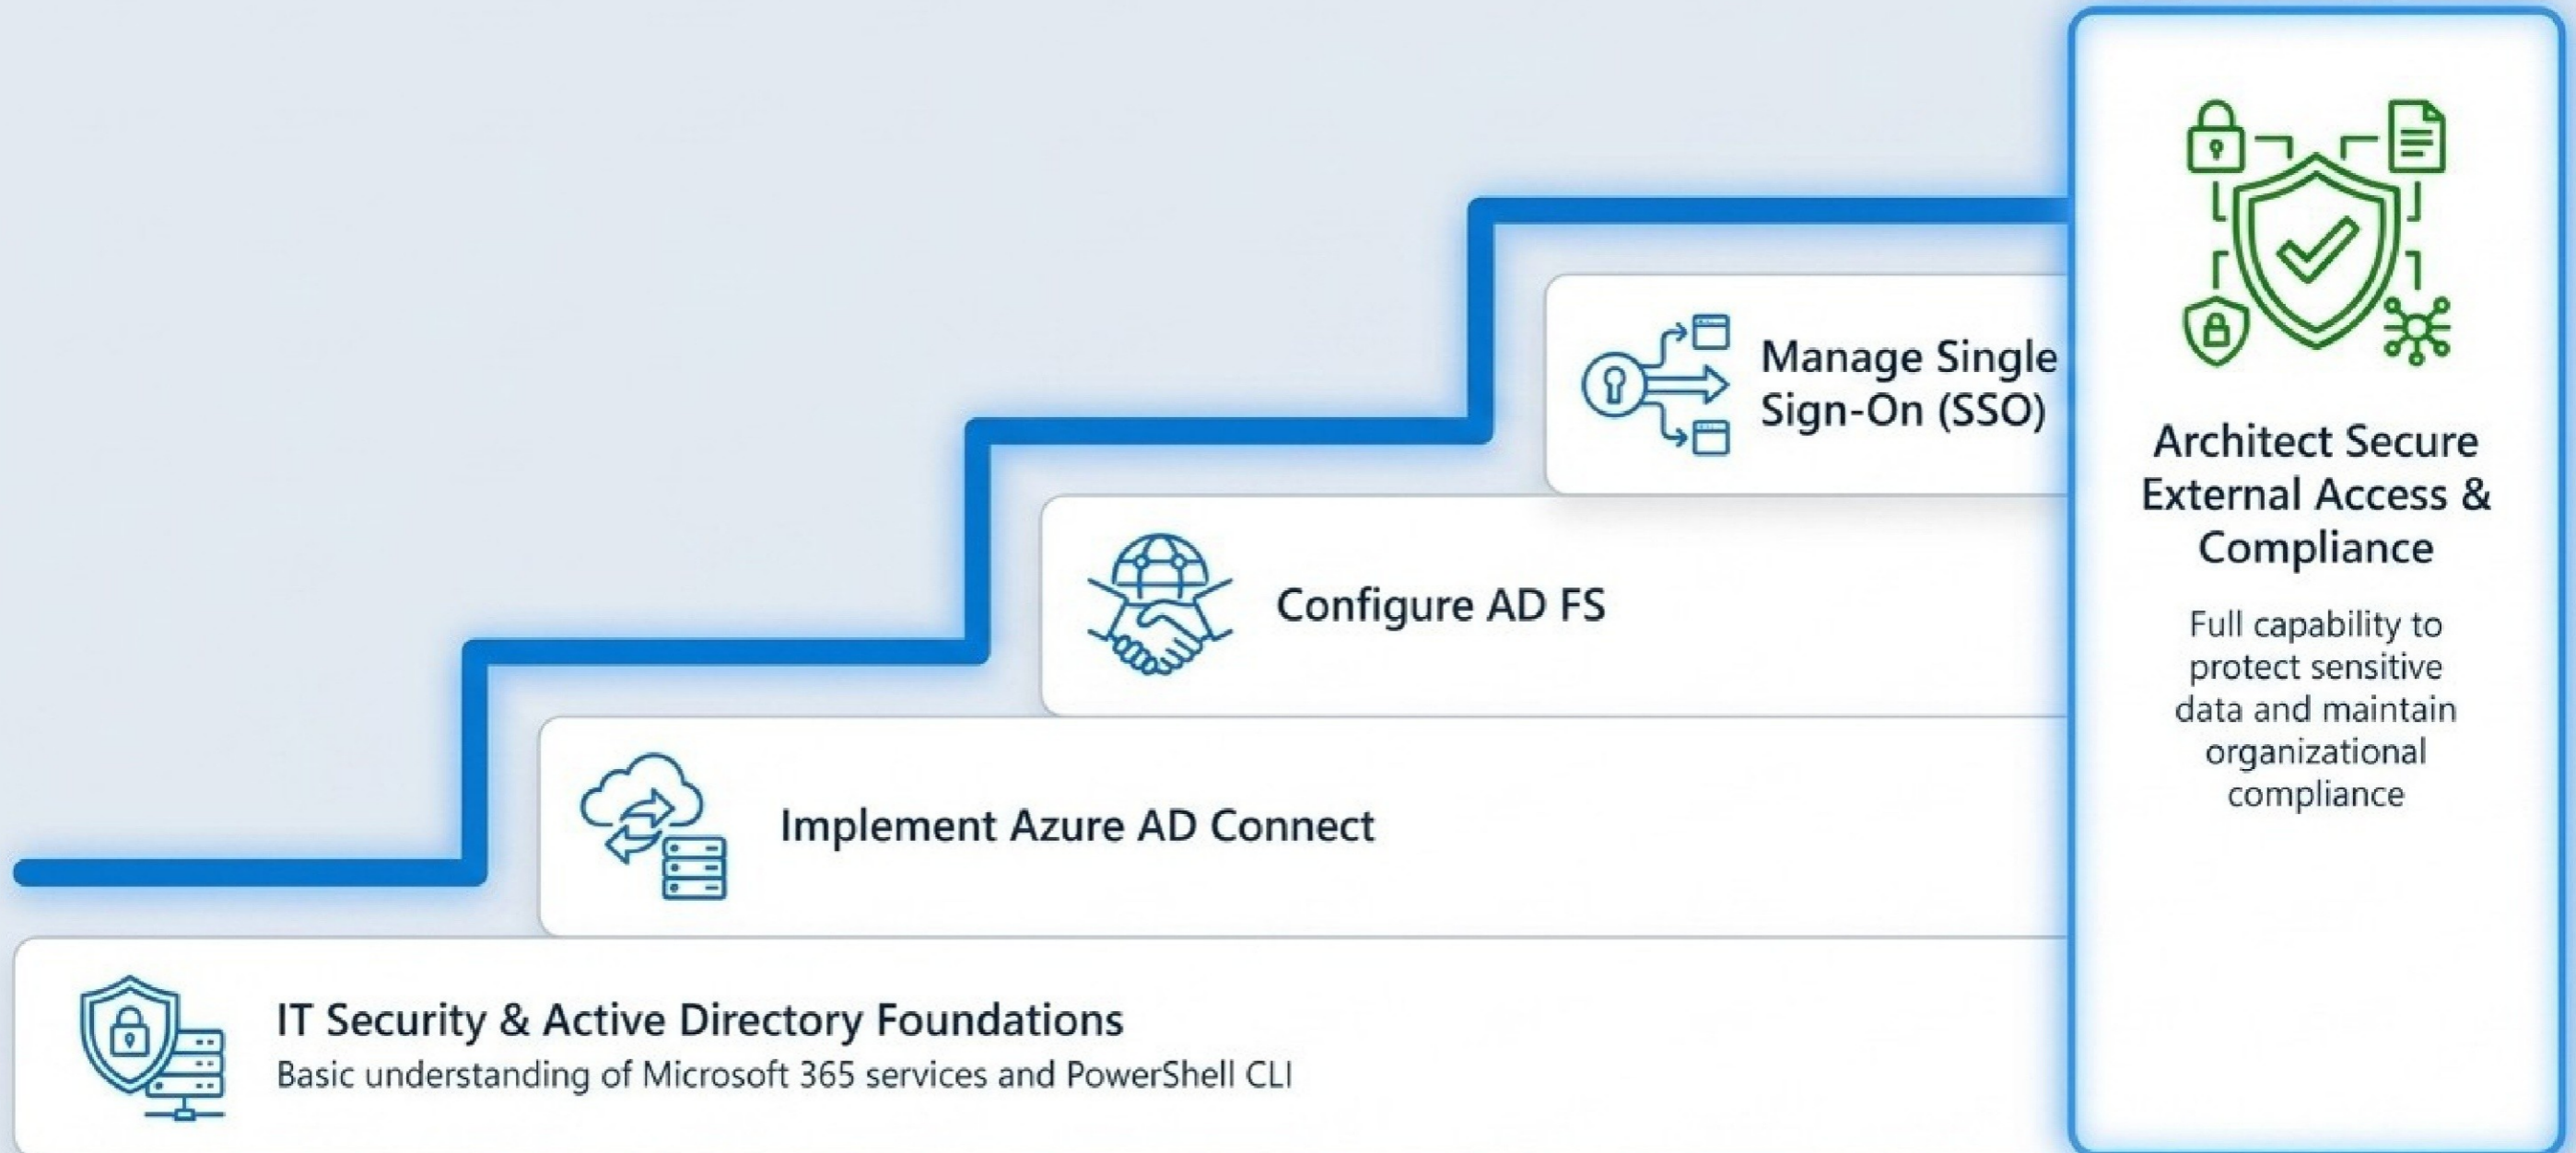

10,000+
Verified
Trainers

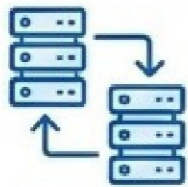

Official
Certificate
Of Completion

The Capability Activation Curve

Structured Phases Of Identity Administration

Identity & Synchronization

- Modules: Security Groups, Azure AD Connect

Aligning on-premise and cloud identities.

Federated Identity Management

- Modules: AD FS Deployment, Server Integration

Architecting seamless multi-system authentication.

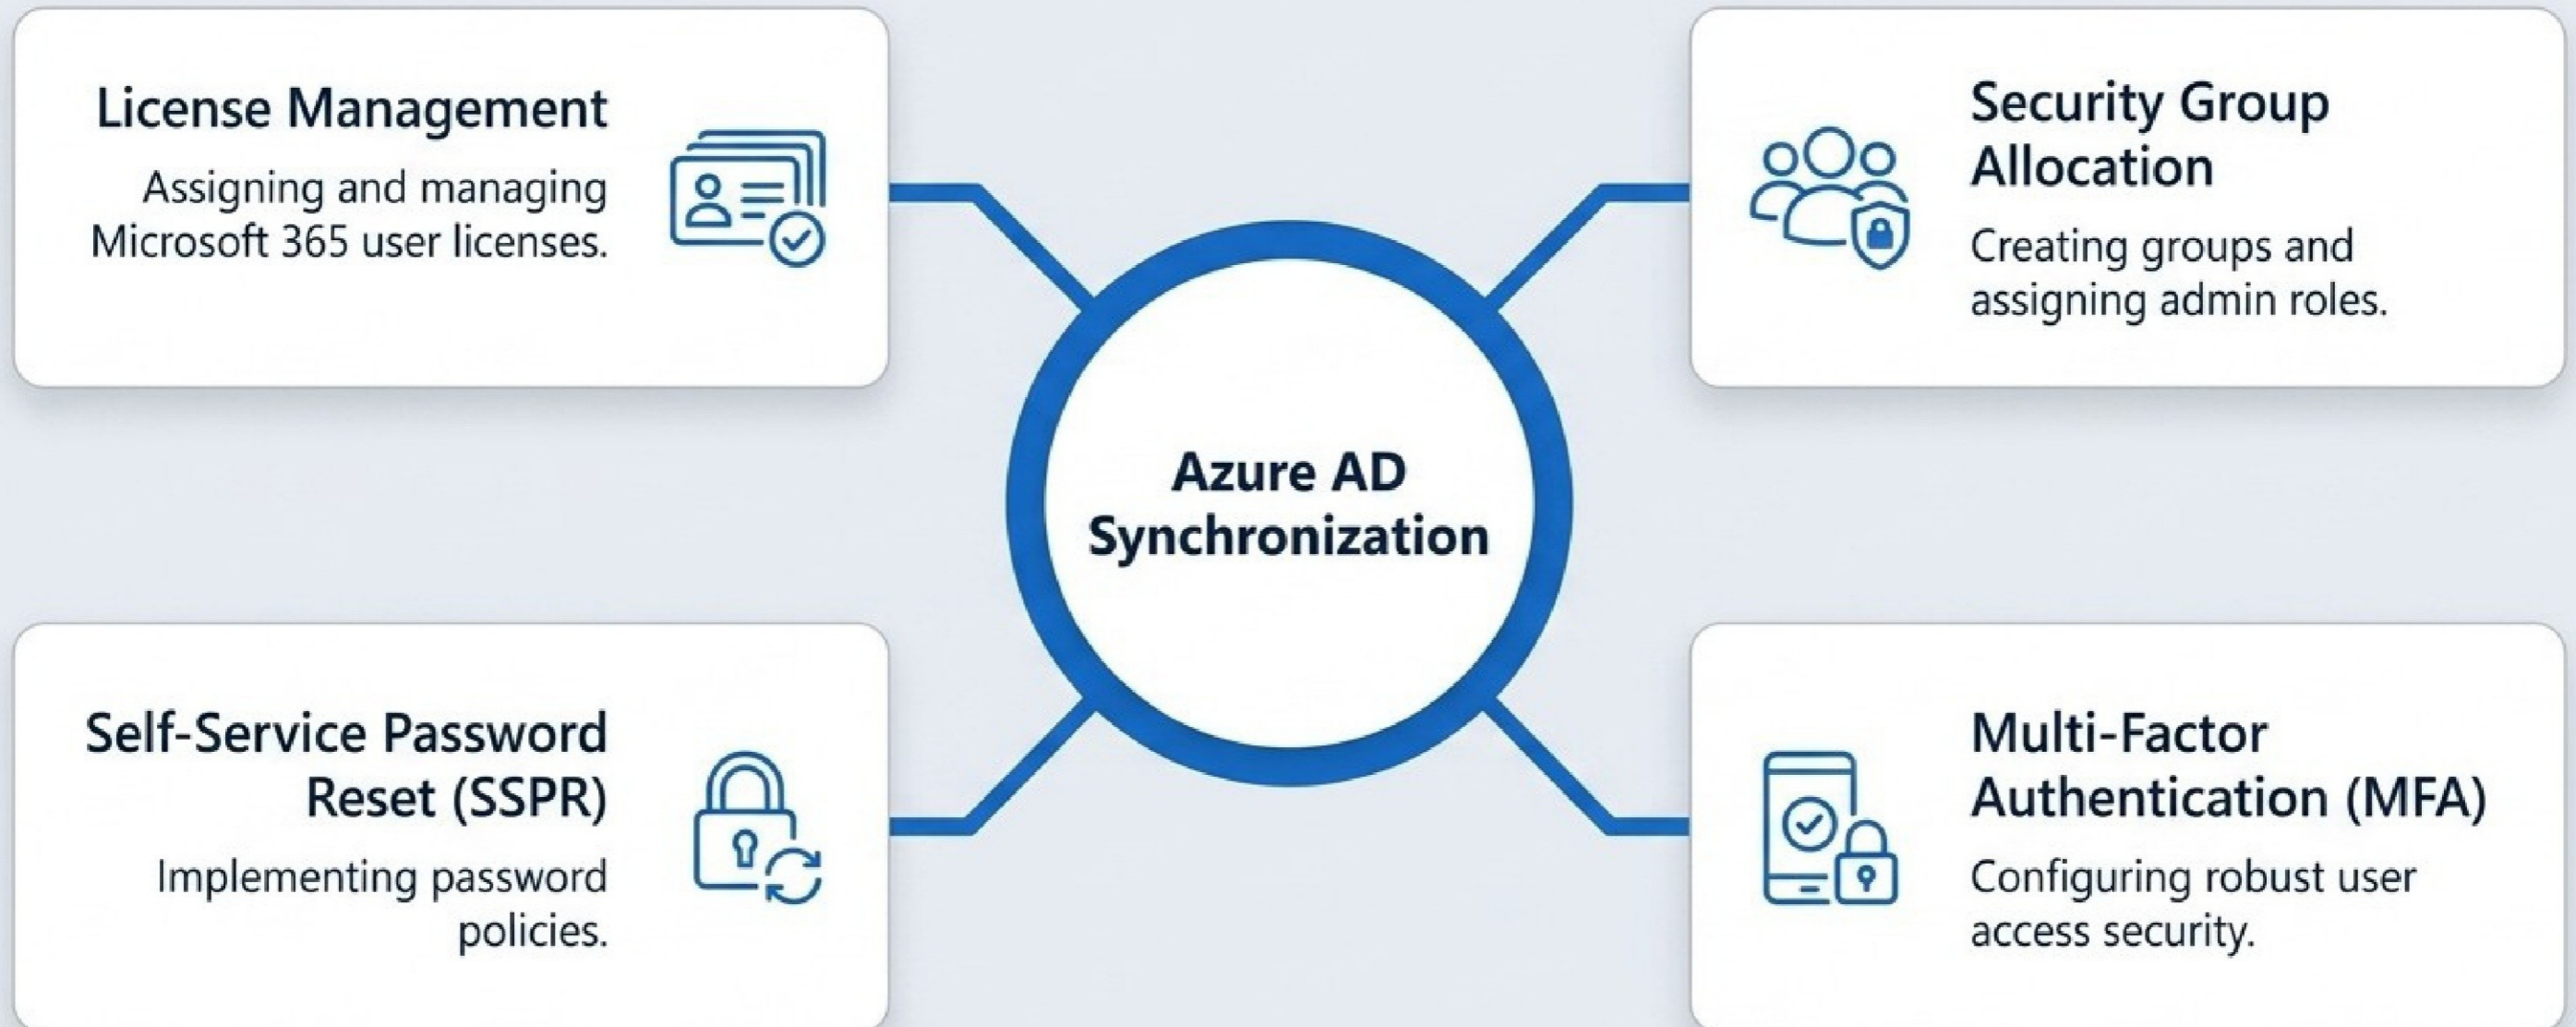

External Access & Applications

- Modules: Application Proxy, B2B Collaboration

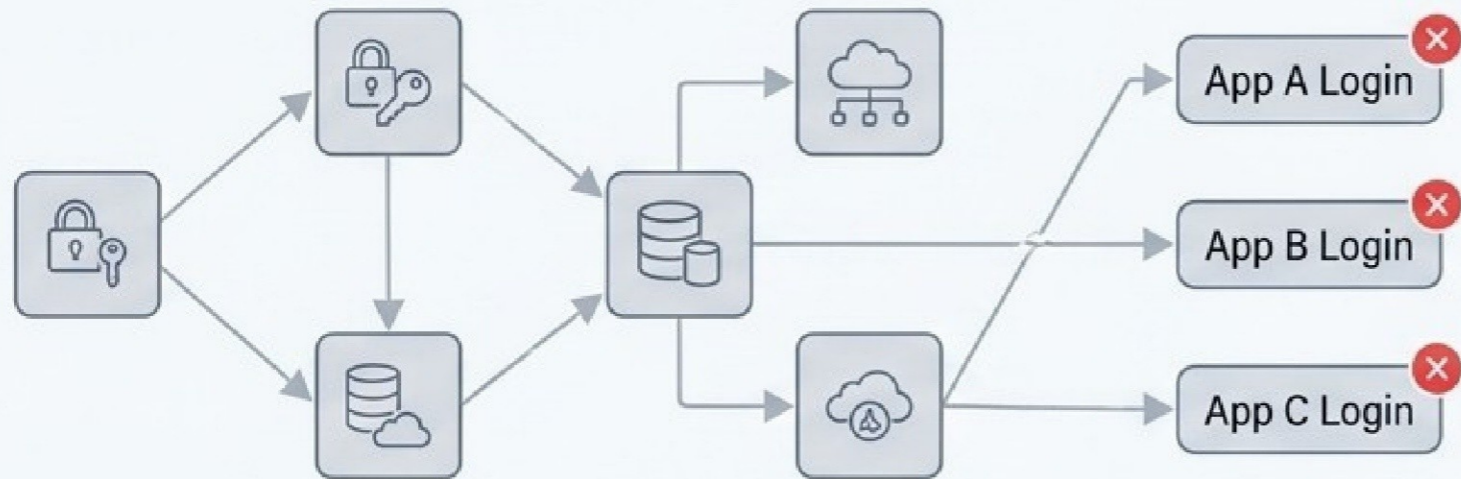

Securing guest access and cloud applications.

Core Synchronization And Security Fundamentals

The Federated Identity Implementation Path

Traditional Disconnected Access

Course-Enabled AD FS Integration

Single Sign-On & Seamless Multi-App Access

1. AD FS Architecture

Detailed design and deployment of Active Directory Federation Services components for on-premises identity federation.

2. Infrastructure Prerequisites

Assessment and preparation of required server hardware, network connectivity, and software dependencies.

3. Certificate Management

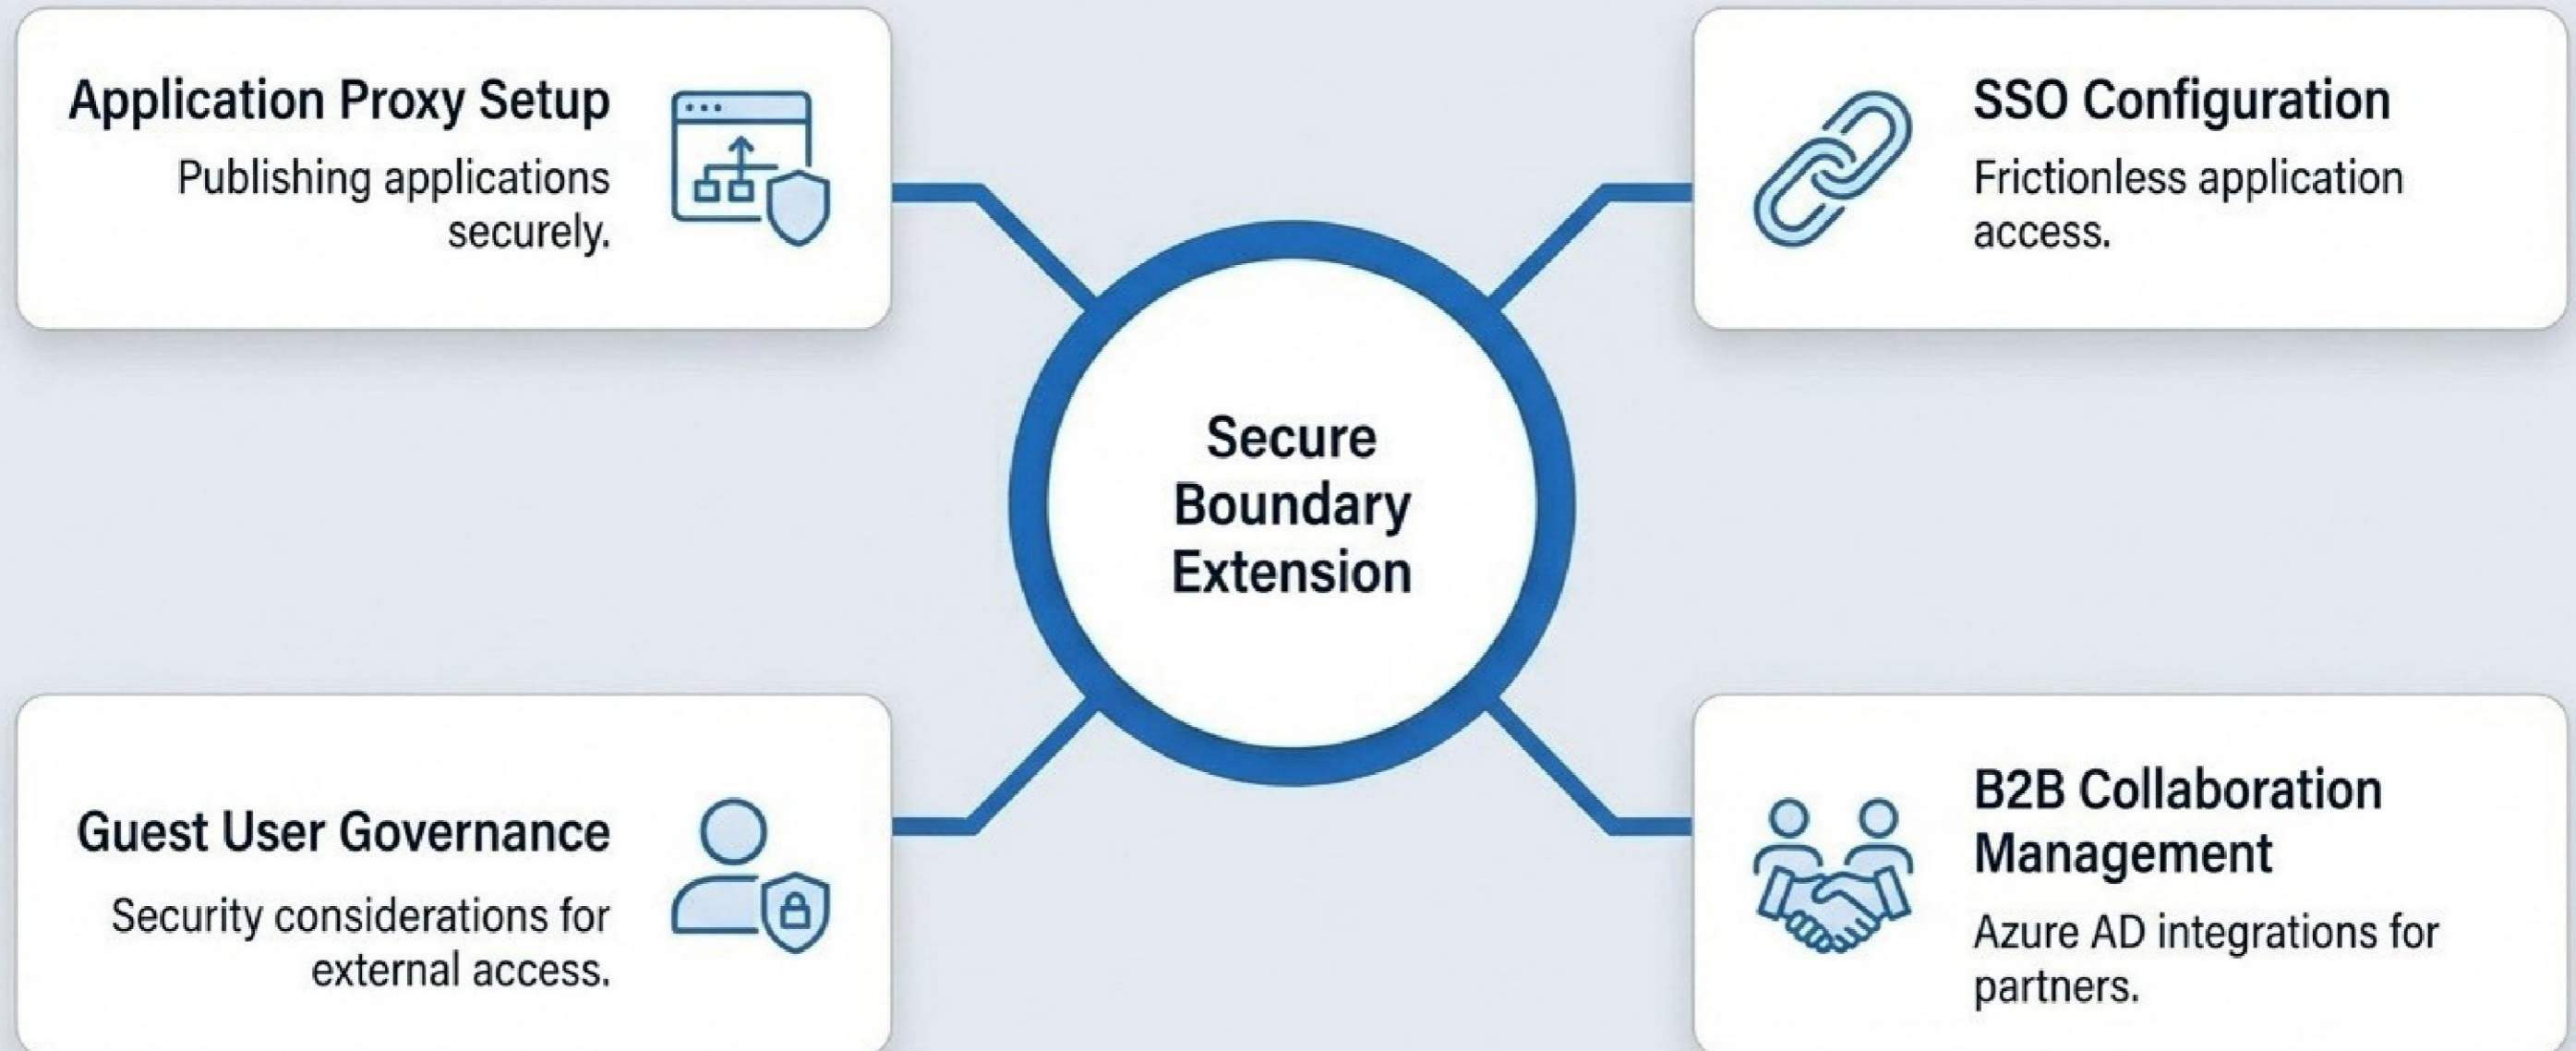

Generating, securing, and managing SSL/TLS certificates and token-signing certificates for secure communication.

4. Azure AD Integration

Configuring Azure AD Connect and establishing federation trust for hybrid identity and seamless cloud access.

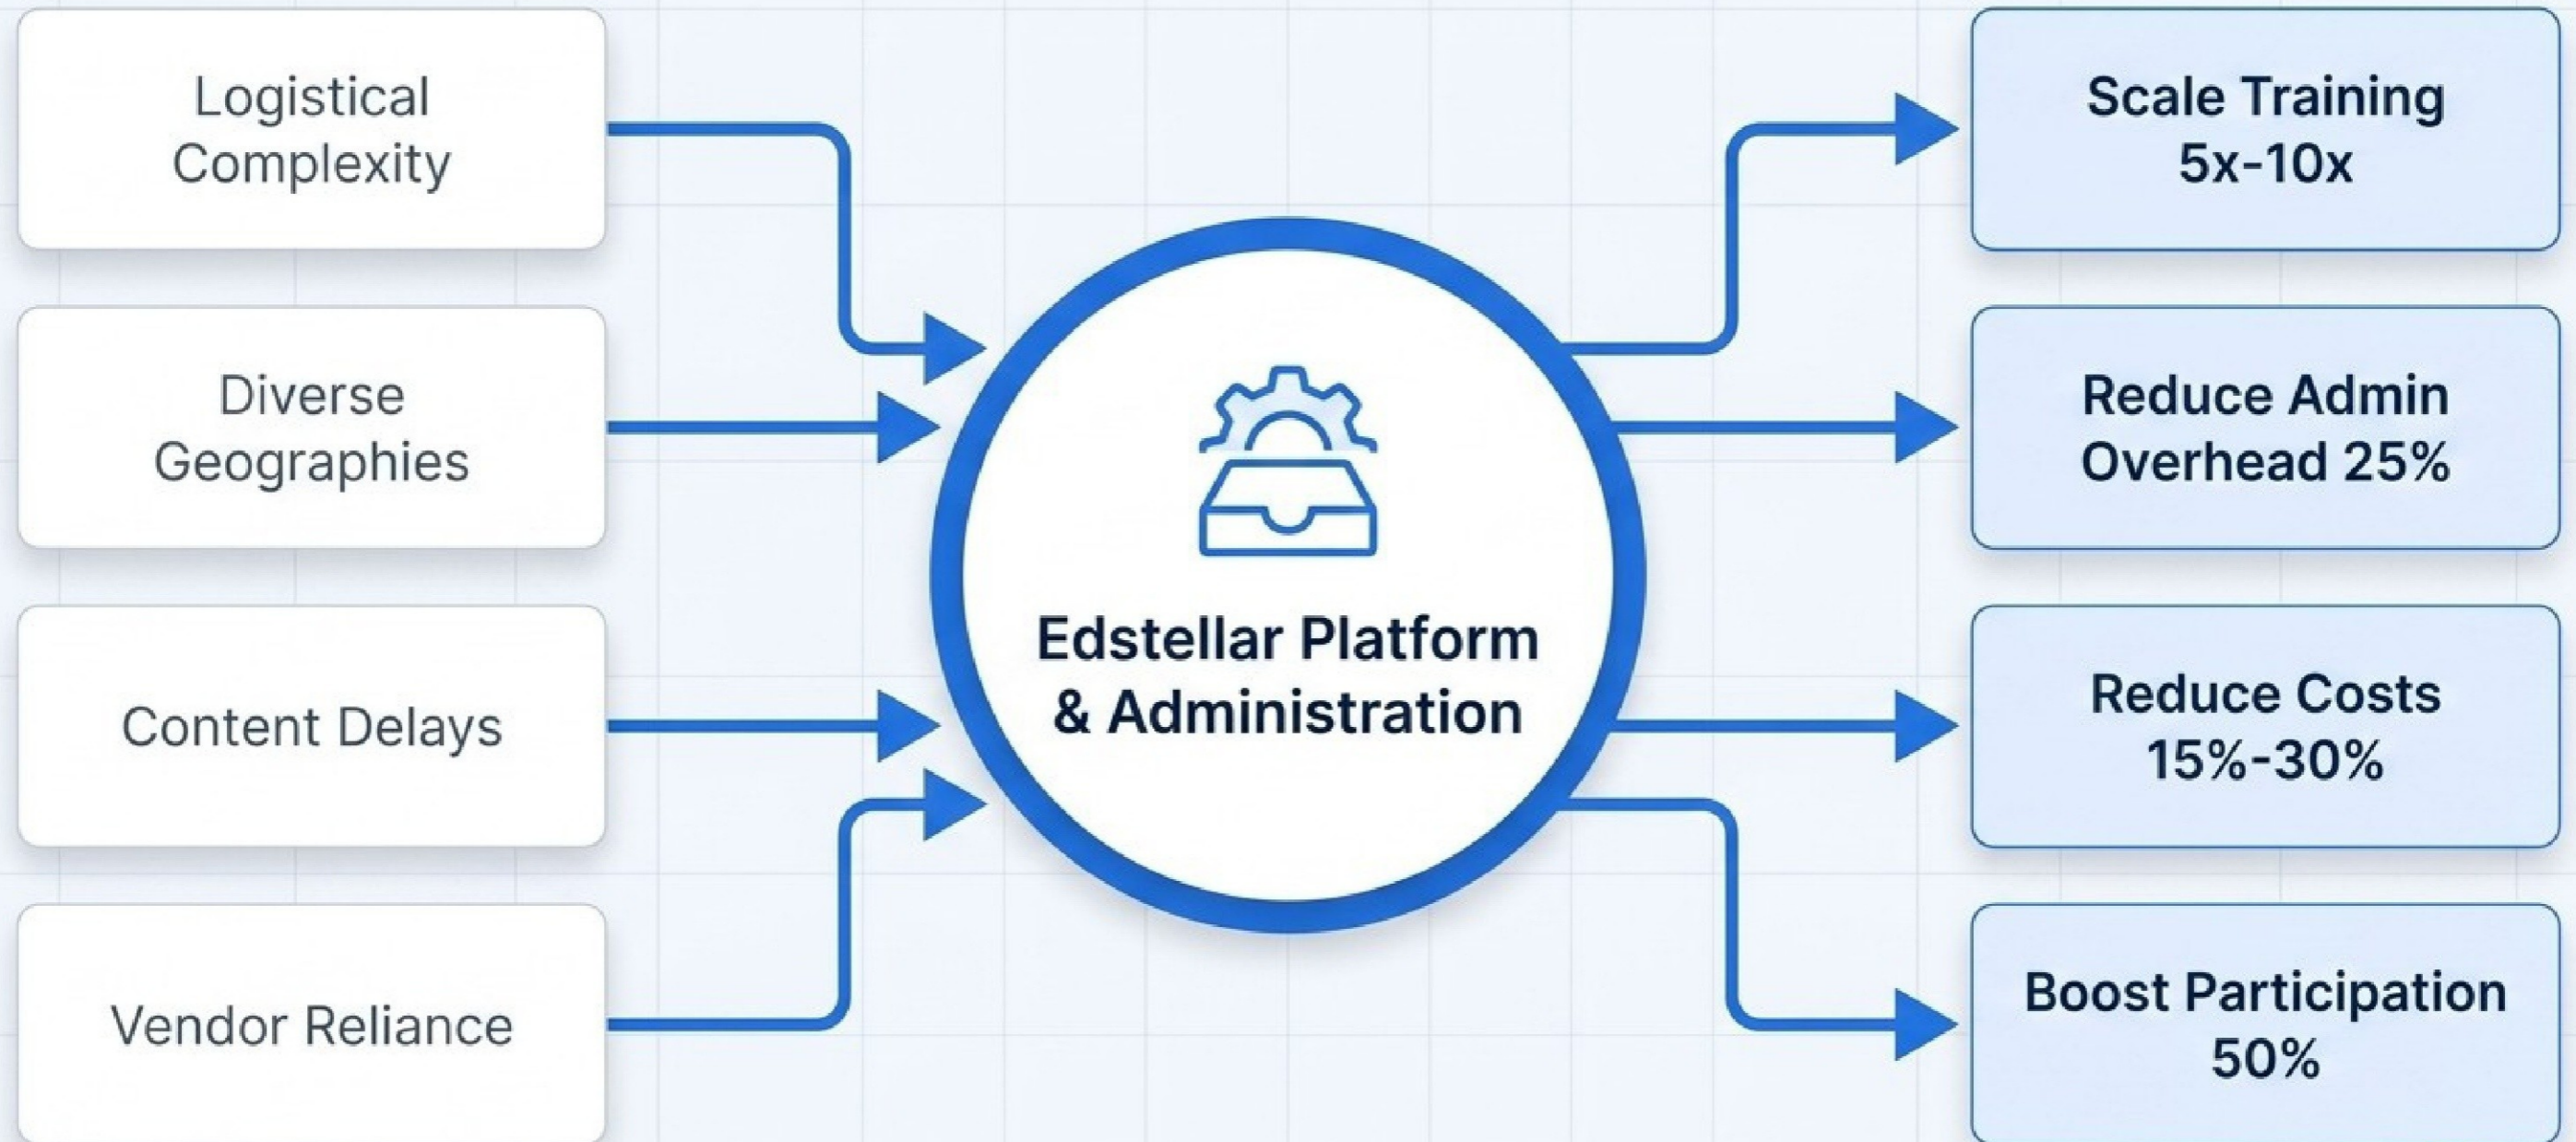

Architecting Secure External Collaboration

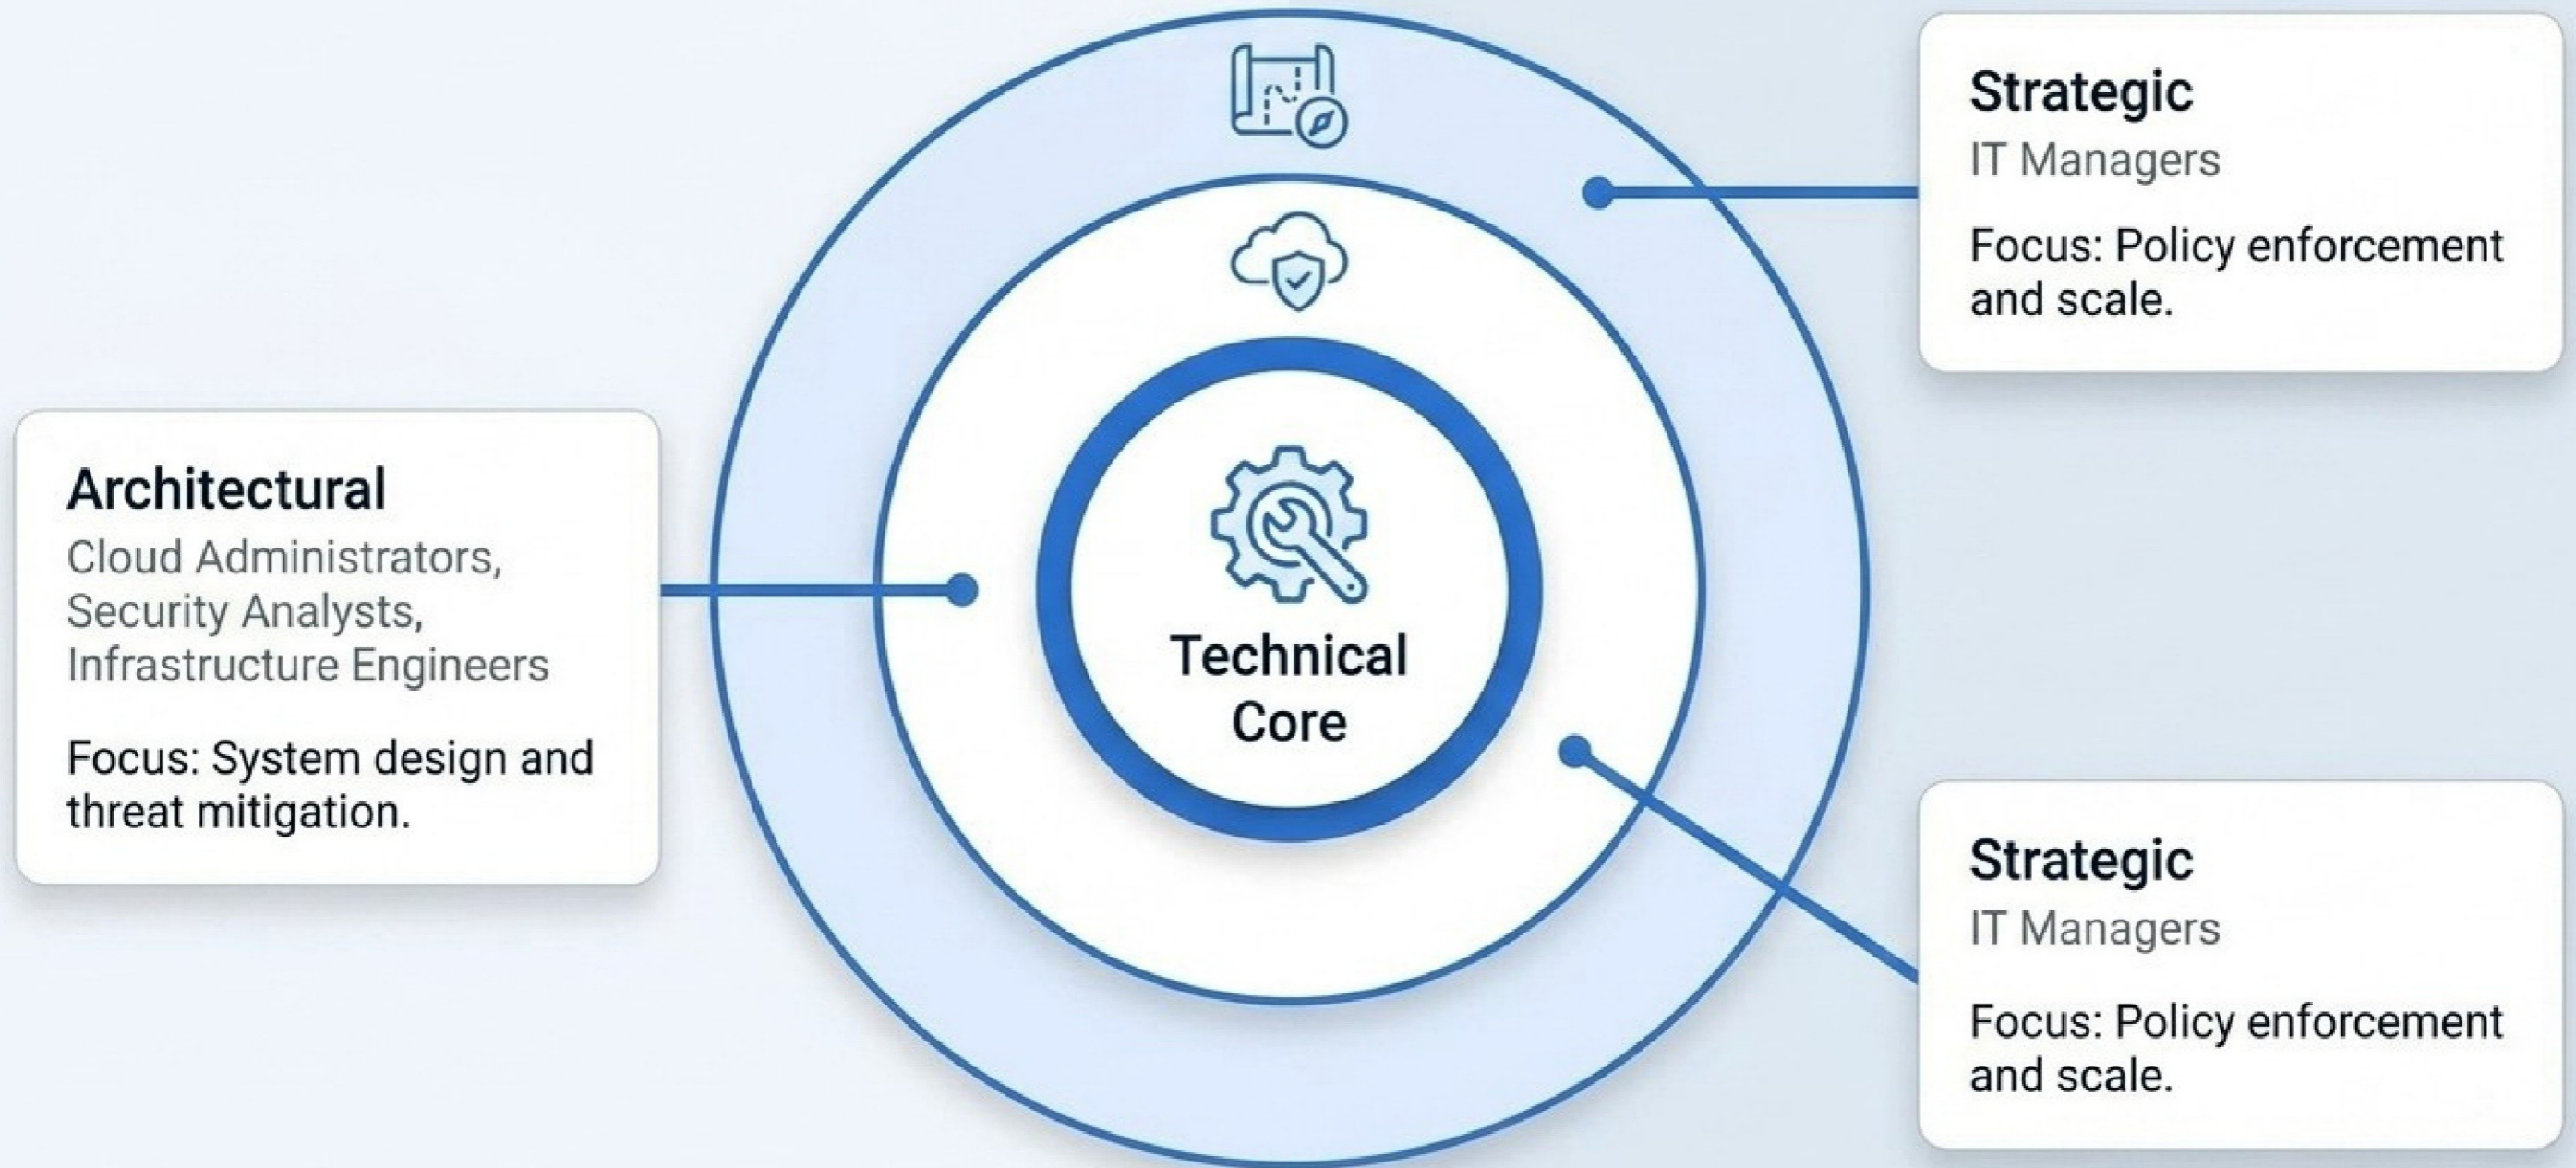

Strategic Alignment By Organizational Scale

Training Package	Scope (Licenses)	Delivery Effort
Starter Target: Small/Medium Business 	120 Licenses 	64 Hours Group Training 
Growth Target: Growing SMBs 	320 Licenses 	160 Hours Group Training 
Enterprise Target: Large Corporations 	800+ Licenses 	400+ Hours Group Training 

The Managed Training Transformation Engine

Target Audience Alignment

Frictionless Deployment Environments

Virtual Live

- Global scale across locations
- Zero travel logistics
- Highly interactive digital engagement tools

On-Site In-House

- Tailored to actual workplace infrastructure
- Immediate collaborative troubleshooting
- High direct engagement

Off-Site Group

- Distraction-free learning environment
- Dedicated intensive schedule
- Boosts team morale

Proof of Impact

"Attending the Microsoft 365 Identity Management training was transformational... The deep dive into industry best practices gave me the confidence to tackle complex coverage of real-world case studies... I've been able to drive meaningful innovation and improvement."

Emil Ferguson

Lead Account Executive

Leadership Development Platform

Borderless Skilling For Multinational Teams

Delivery Capability
Across 100+ Countries

Expert Instruction
Available In 10+ Languages

(English, Español, Deutsch, Français, 日本語)
