Organizational Capability Diagnostic Matrix

Corporate Persona	Core Capability Gap	Enterprise Outcome
Visual Content Creators (Graphic Designers, Animators)	Disconnected asset creation and manual typography/imagery handling	High-quality visual assets produced with increased software proficiency
Marketing & Media Specialists	Version control bottlenecks and fragmented feedback loops	Improved communication through shareable links for commenting and integrated cloud workflows
Strategic Leaders & Managers	Heavy IT support dependencies for basic troubleshooting and file recovery	Reduced IT support burden and scalable operational workflows across teams
