REFLECTION QUESTIONS
EPISODE: PROVISION

1. Where do you feel you lack *provision* in this season?

2. What might you *see* if you look more closely at your circumstances, trusting that the Father has already provided?

3. How might living like a son and heir, not a servant or hired hand, help you rest and receive the provision available?

When the dew fell upon
the camp in the night,
the manna fell with it.
Numbers 11:9
