REFLECTION QUESTIONS
EPISODE: PEACE

1. Do you lack peace today?

2. Do bad agreements in your life need to be replaced with new, better, truer ones?

3. How might the Father be inviting you into His peace through a covenantal understanding of peace as an agreement, not simply freedom of problems and perturbations?

You will keep the mind
that is dependent on you
in perfect peace,
for it is trusting in you.
Isaiah 26:3
