STAFFWEAR

We know how important staff kit is. It's worn every day and has to be up to the job. Our staffwear range shares the same quality design and fabrics as all our kit, and with most items in stock and an online portal for easy ordering, even customised items can be shipped immediately. Wearing the same brand as your students promotes unity and community, ensuring they know they're wearing the very best.

LIMITLESS

Limitless is the **#1** sportswear brand in independent schools. Our goal is for every young person to develop an active, healthy lifestyle. Limitless works to provide you with comfortable, high-performance kit, enabling your team to play at its very best and focus on the pitch, court or field. We can provide curriculum kit and bespoke teamwear, so the whole school community can be Limitless.

DESIGN & FIT

Our focus is on creating sportswear for young people. Every item of clothing is designed and tested exhaustively for size and fit, with a clear brief that it wears hard, looks great and is comfortable.

FABRICS

We don't compromise on the quality of fabrics chosen, ensuring they're incorporating the very best breathability, stretch, durability and protection from the elements.

Our buyers work with global centres of excellence at the forefront of technical innovation and are continually monitoring and updating the best options, in line with advancements.

ORDERING STAFFWEAR

With most items held in stock, you can order through your own school staff portal online. Your Account Manager can also help with any bespoke, sublimated orders.

CURRICULUM KIT

Limitless are experts at kitting out the whole school. Our curriculum kit embodies our mission to make great sports kit available to all. Held in stock all year, ready for immediate delivery, Limitless can help instill pride and confidence in the entire school community.

TEAMWEAR

Whether it's for a tour, a big 1st team final or to differentiate teams, our bespoke sportswear can be produced in numerous colours, designs and finishes. Delivering pride and identity, they make a lasting impression.

Specialist items, including rowing kit and sublimated netball dresses or rugby shirts, are all possible. Whatever you need, we can make them to order and deliver in 6 - 8 weeks. Please see our Teamwear brochure for more details.

OUR FABRICS

We don't cut corners; our buyers work with some of the world's leading fabric suppliers, renowned for operating at the forefront of technical innovation.

Our staffwear uses the same fabrics as our core school curriculum garments because we know that your kit still needs to work hard to keep you warm, dry and comfortable. To enable this, our fabrics incorporate unique properties with built up layers, shown in the diagrams opposite.

Recycled Polyester  Made with recycled yarn

We offer 100% recycled polyester ranges of sportswear for schools, allowing you to make an eco-friendly choice for your school's core sportswear. All garments which are made from recycled polyester are labelled in this brochure and we are happy to work with schools on ensuring their sportswear is as sustainable as possible.

Please see our Environmental Impact Report at www.schoolblazer.info/wecare for more information.
